Dedication —

Mr. William Harris

————— to express, in part, our
gratitude and admiration.

THEME

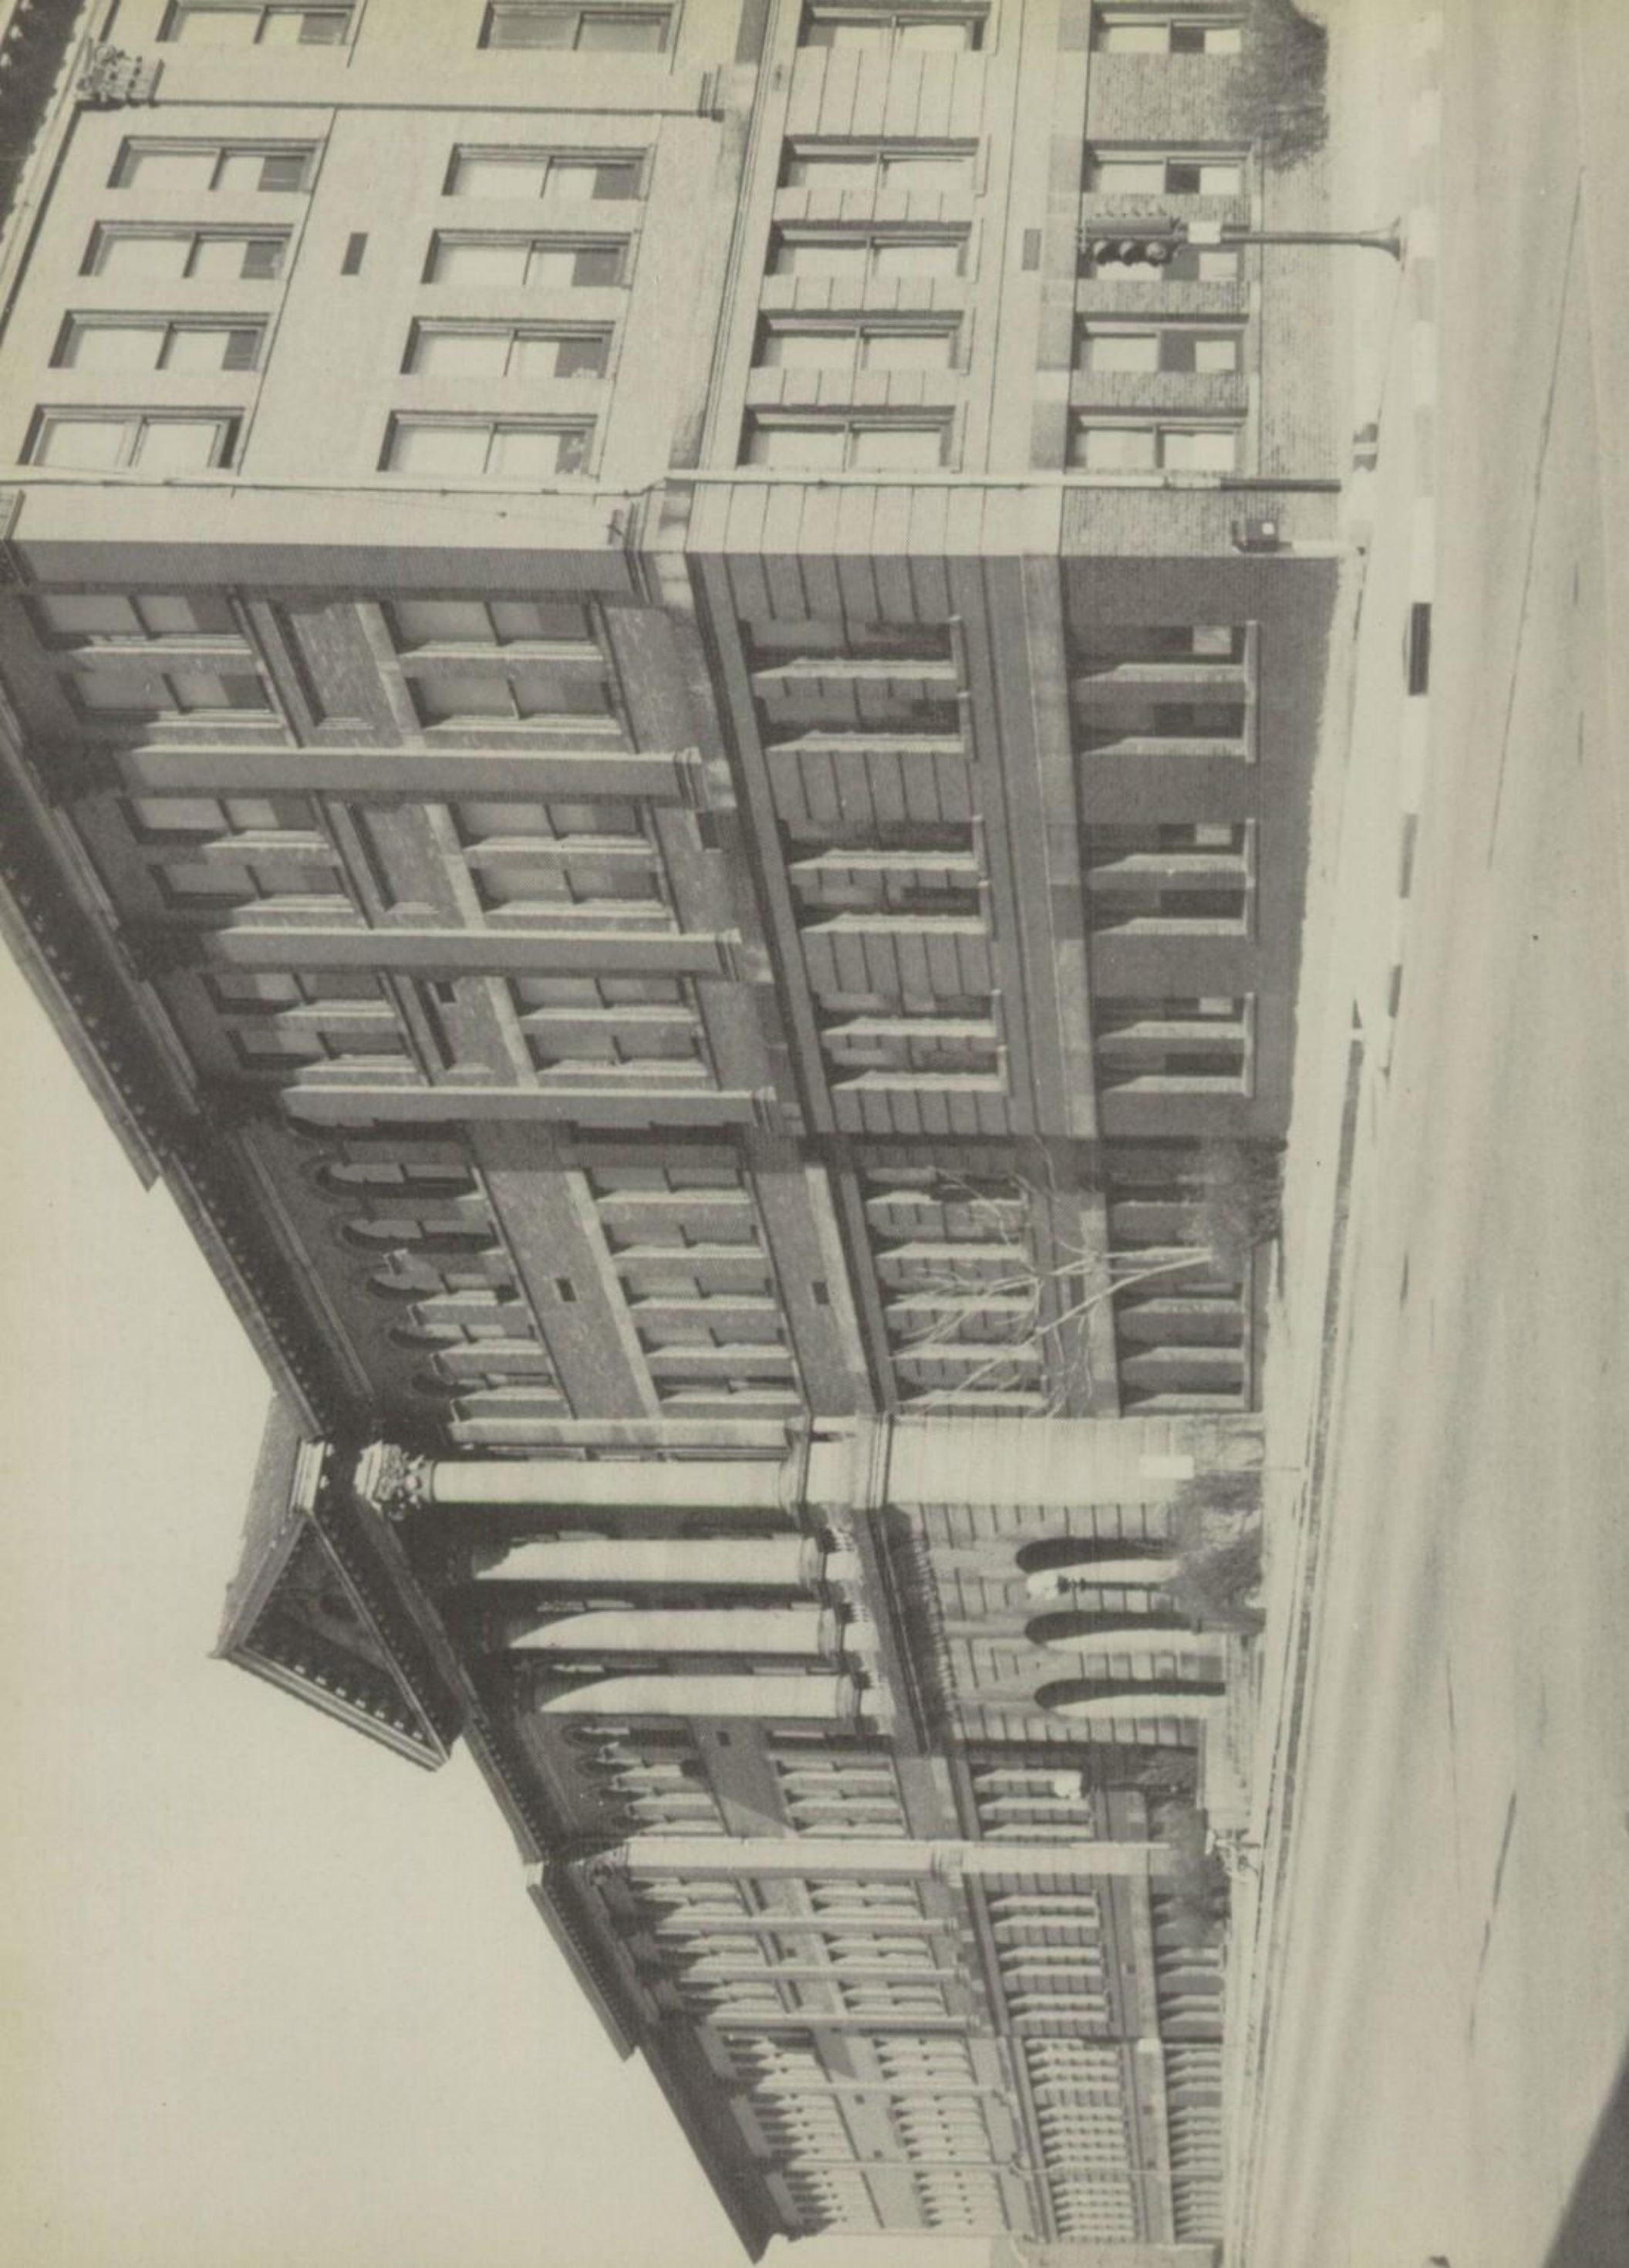

Among the American traditions that have been passed down to us through the years are the celebrations of our holidays. Turkey dinners, the Easter Rabbit, and Santa Claus are as American as Freedom and Democracy. It is from these colorful days of festivity, joy, and gaiety that we have taken **HOLIDAYS** as the theme of our yearbook.

VIEW THEME

After graduating, we shall look back with happy memories on the familiar landmarks that to us mean Decatur. A few of the places that have been closely related to our school life are pictured on the following pages in this order:

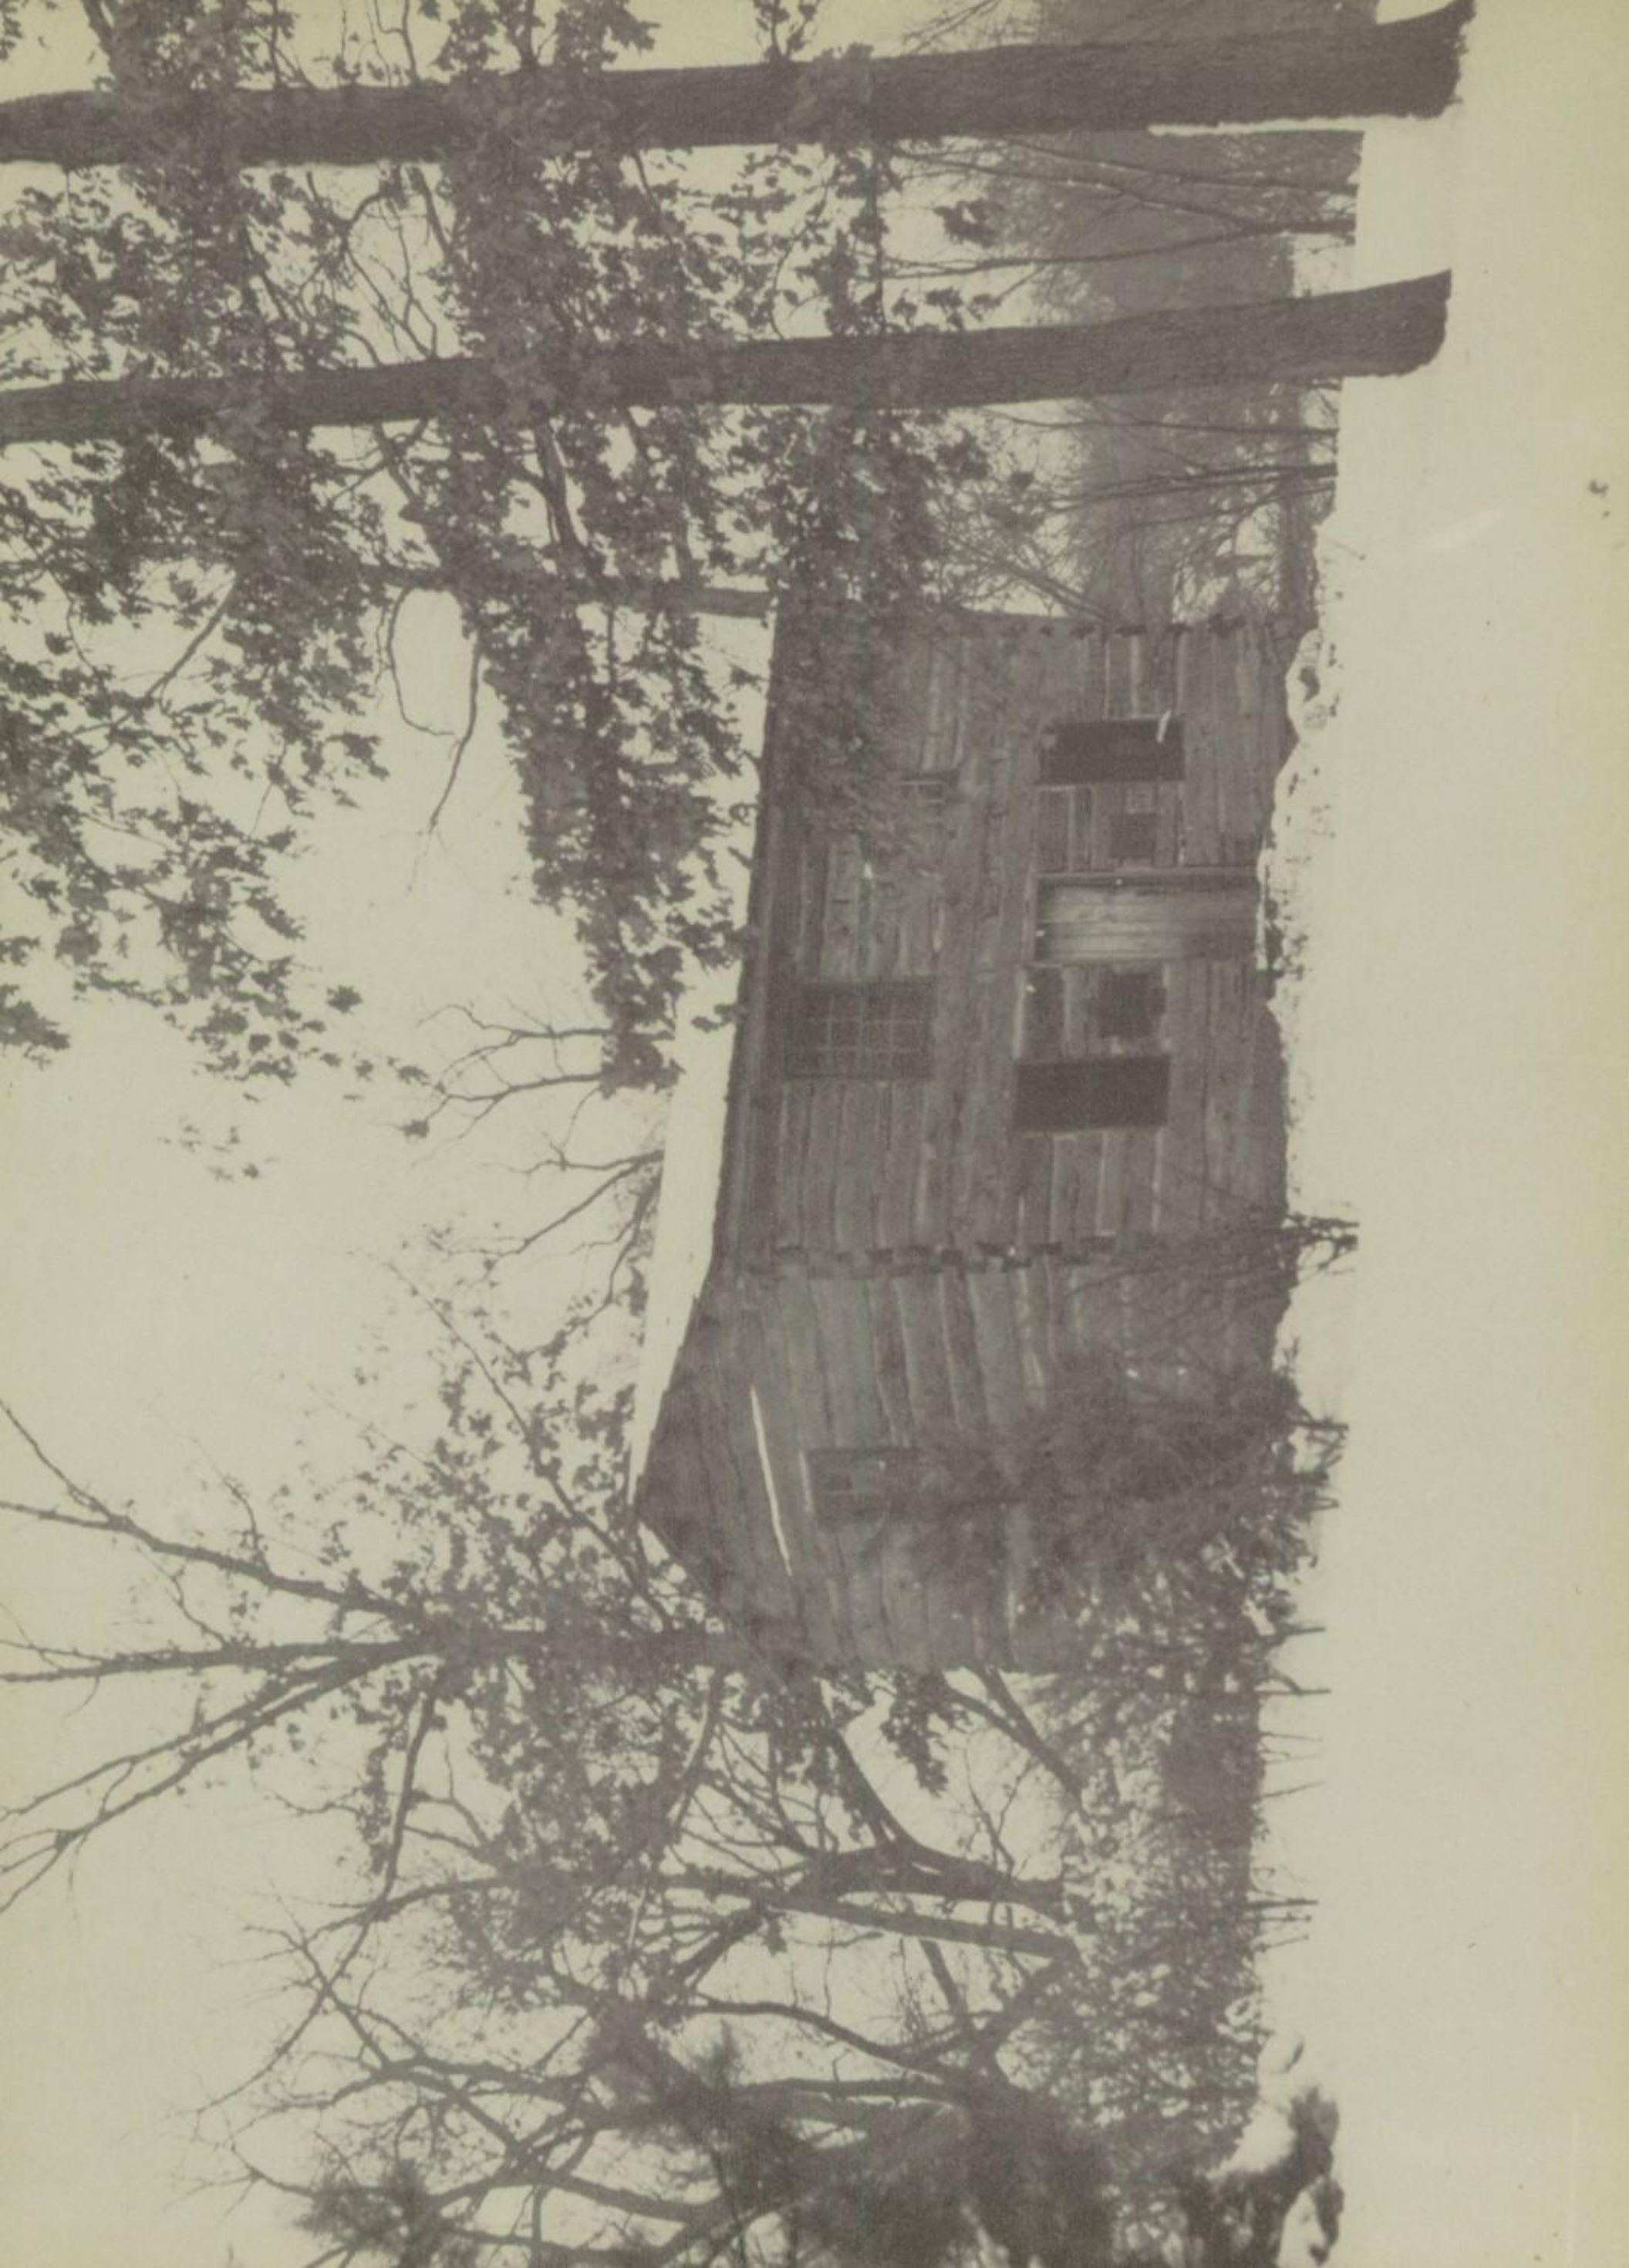

1. Transfer House
2. Decatur High School
3. James Millikin University
4. Art Institute
5. Lincoln's Cabin
6. Library
7. The Dam
8. County Building

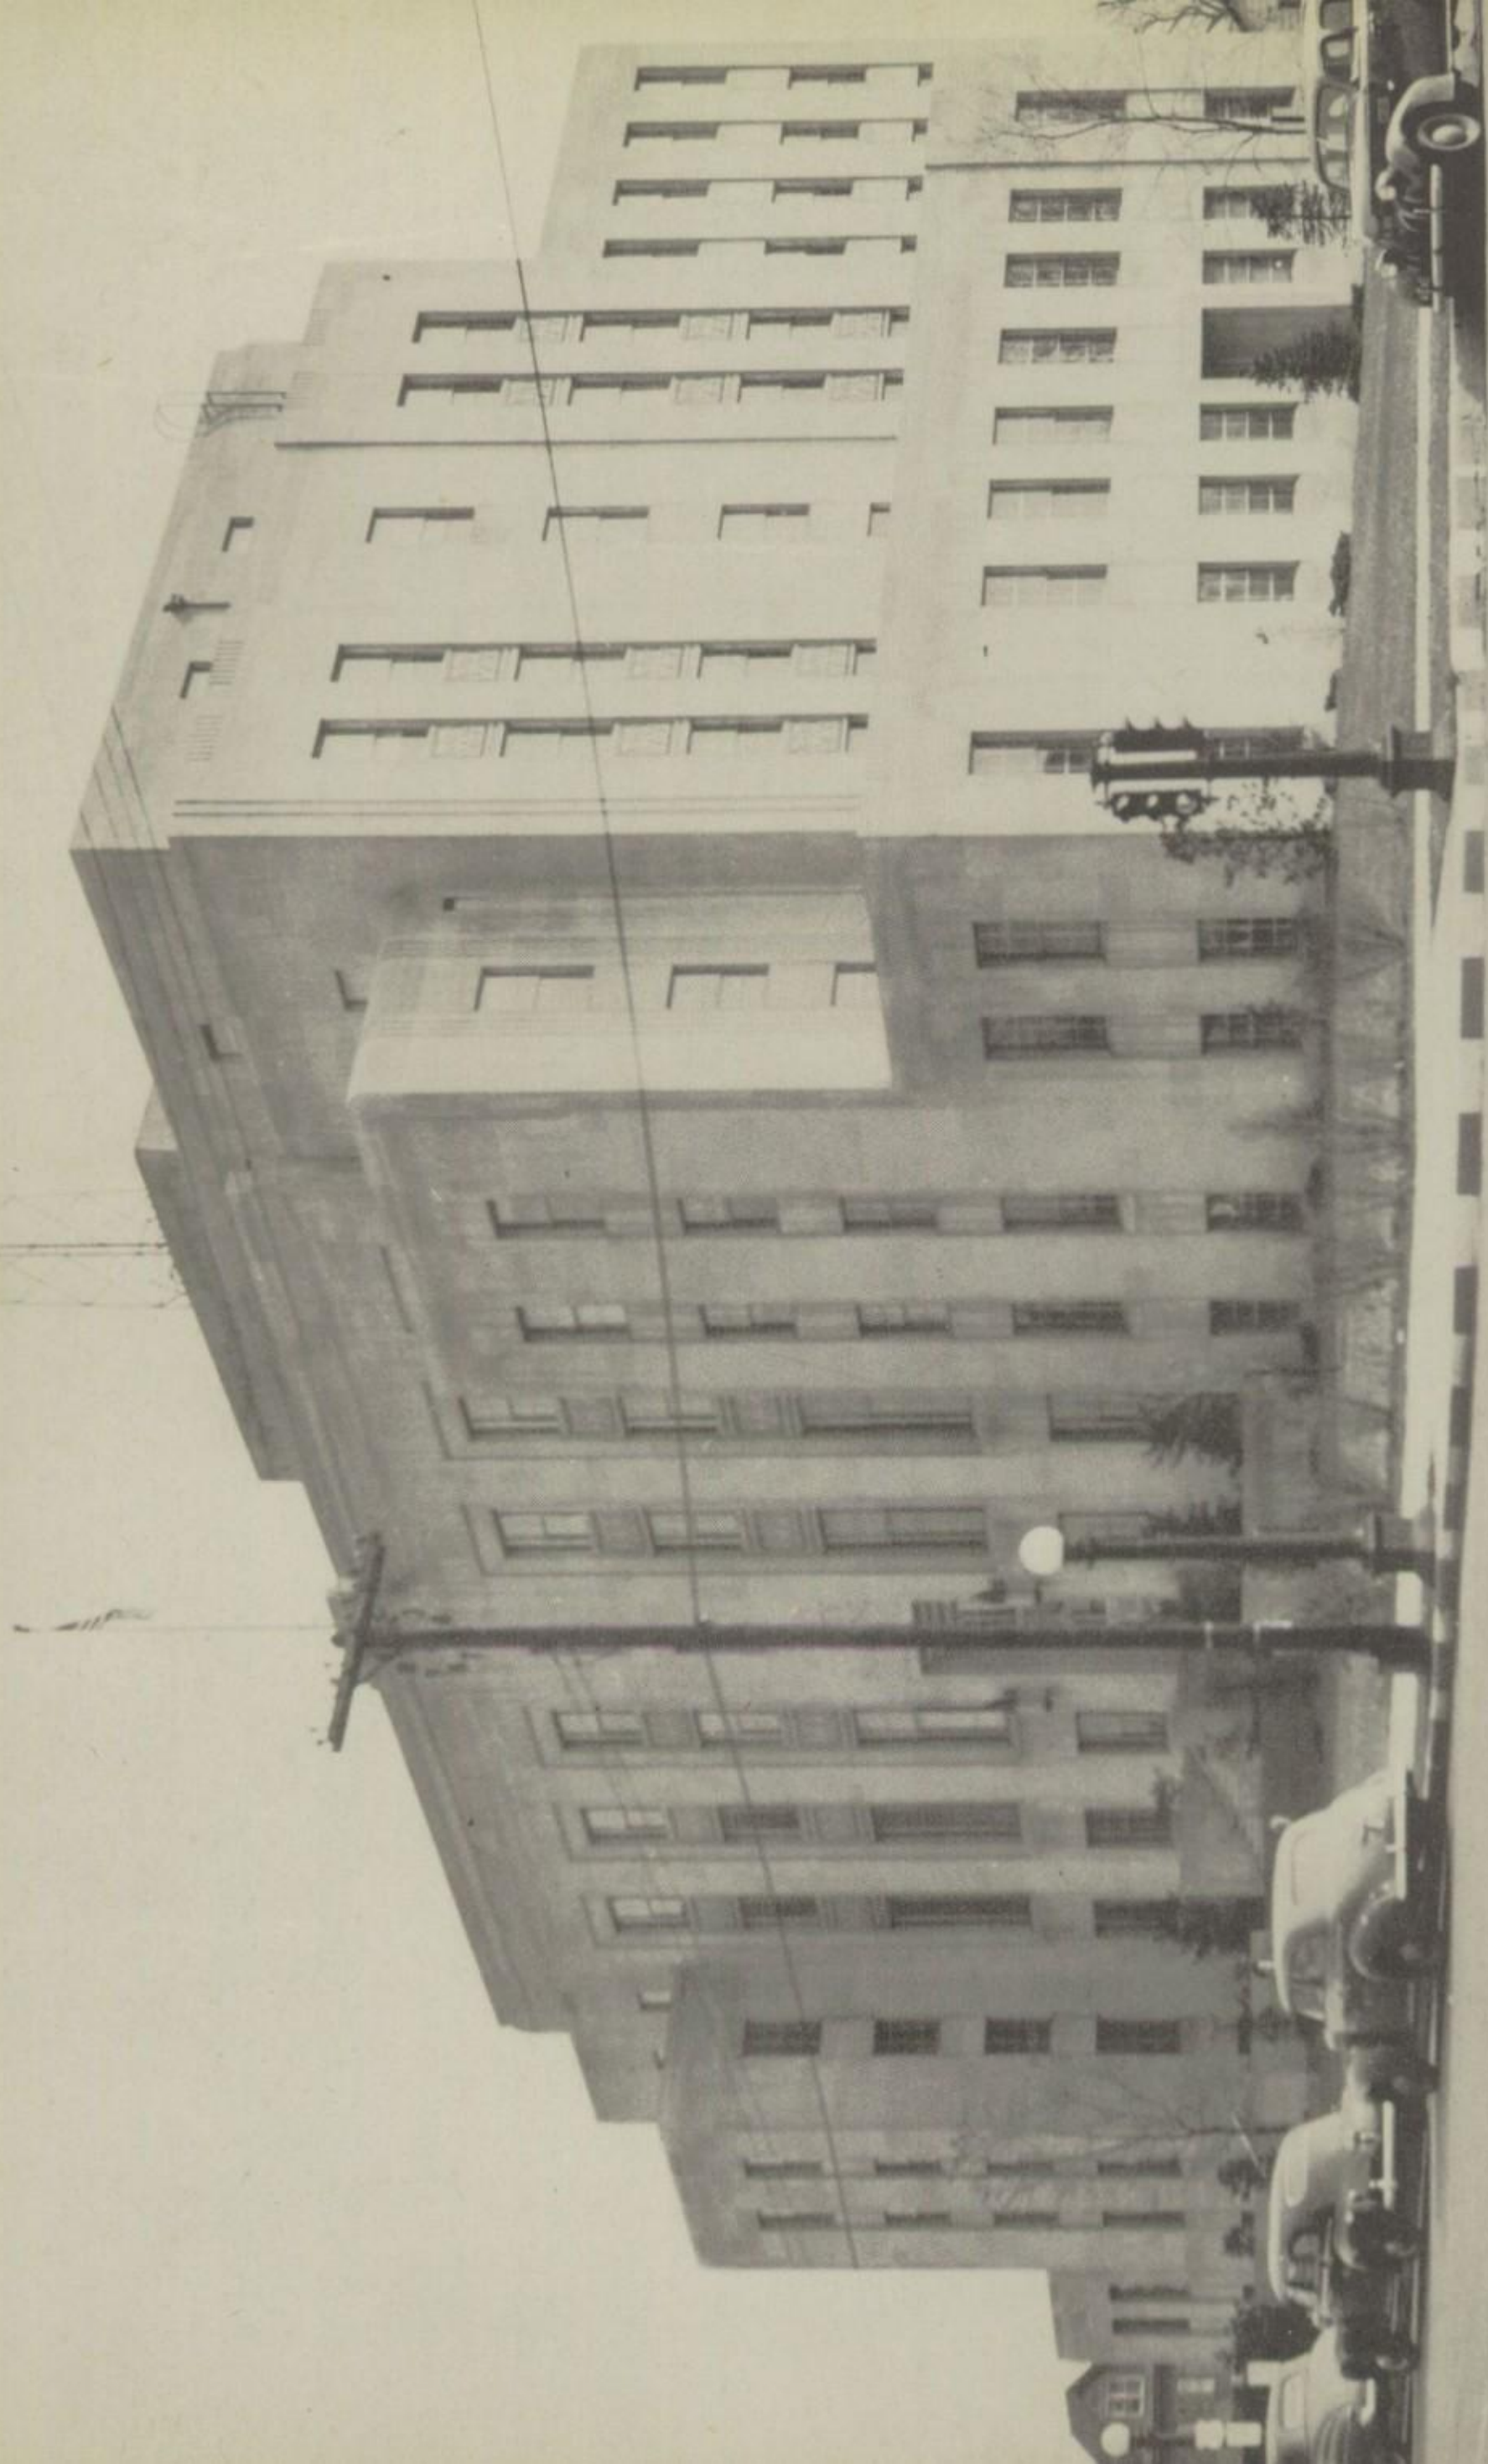

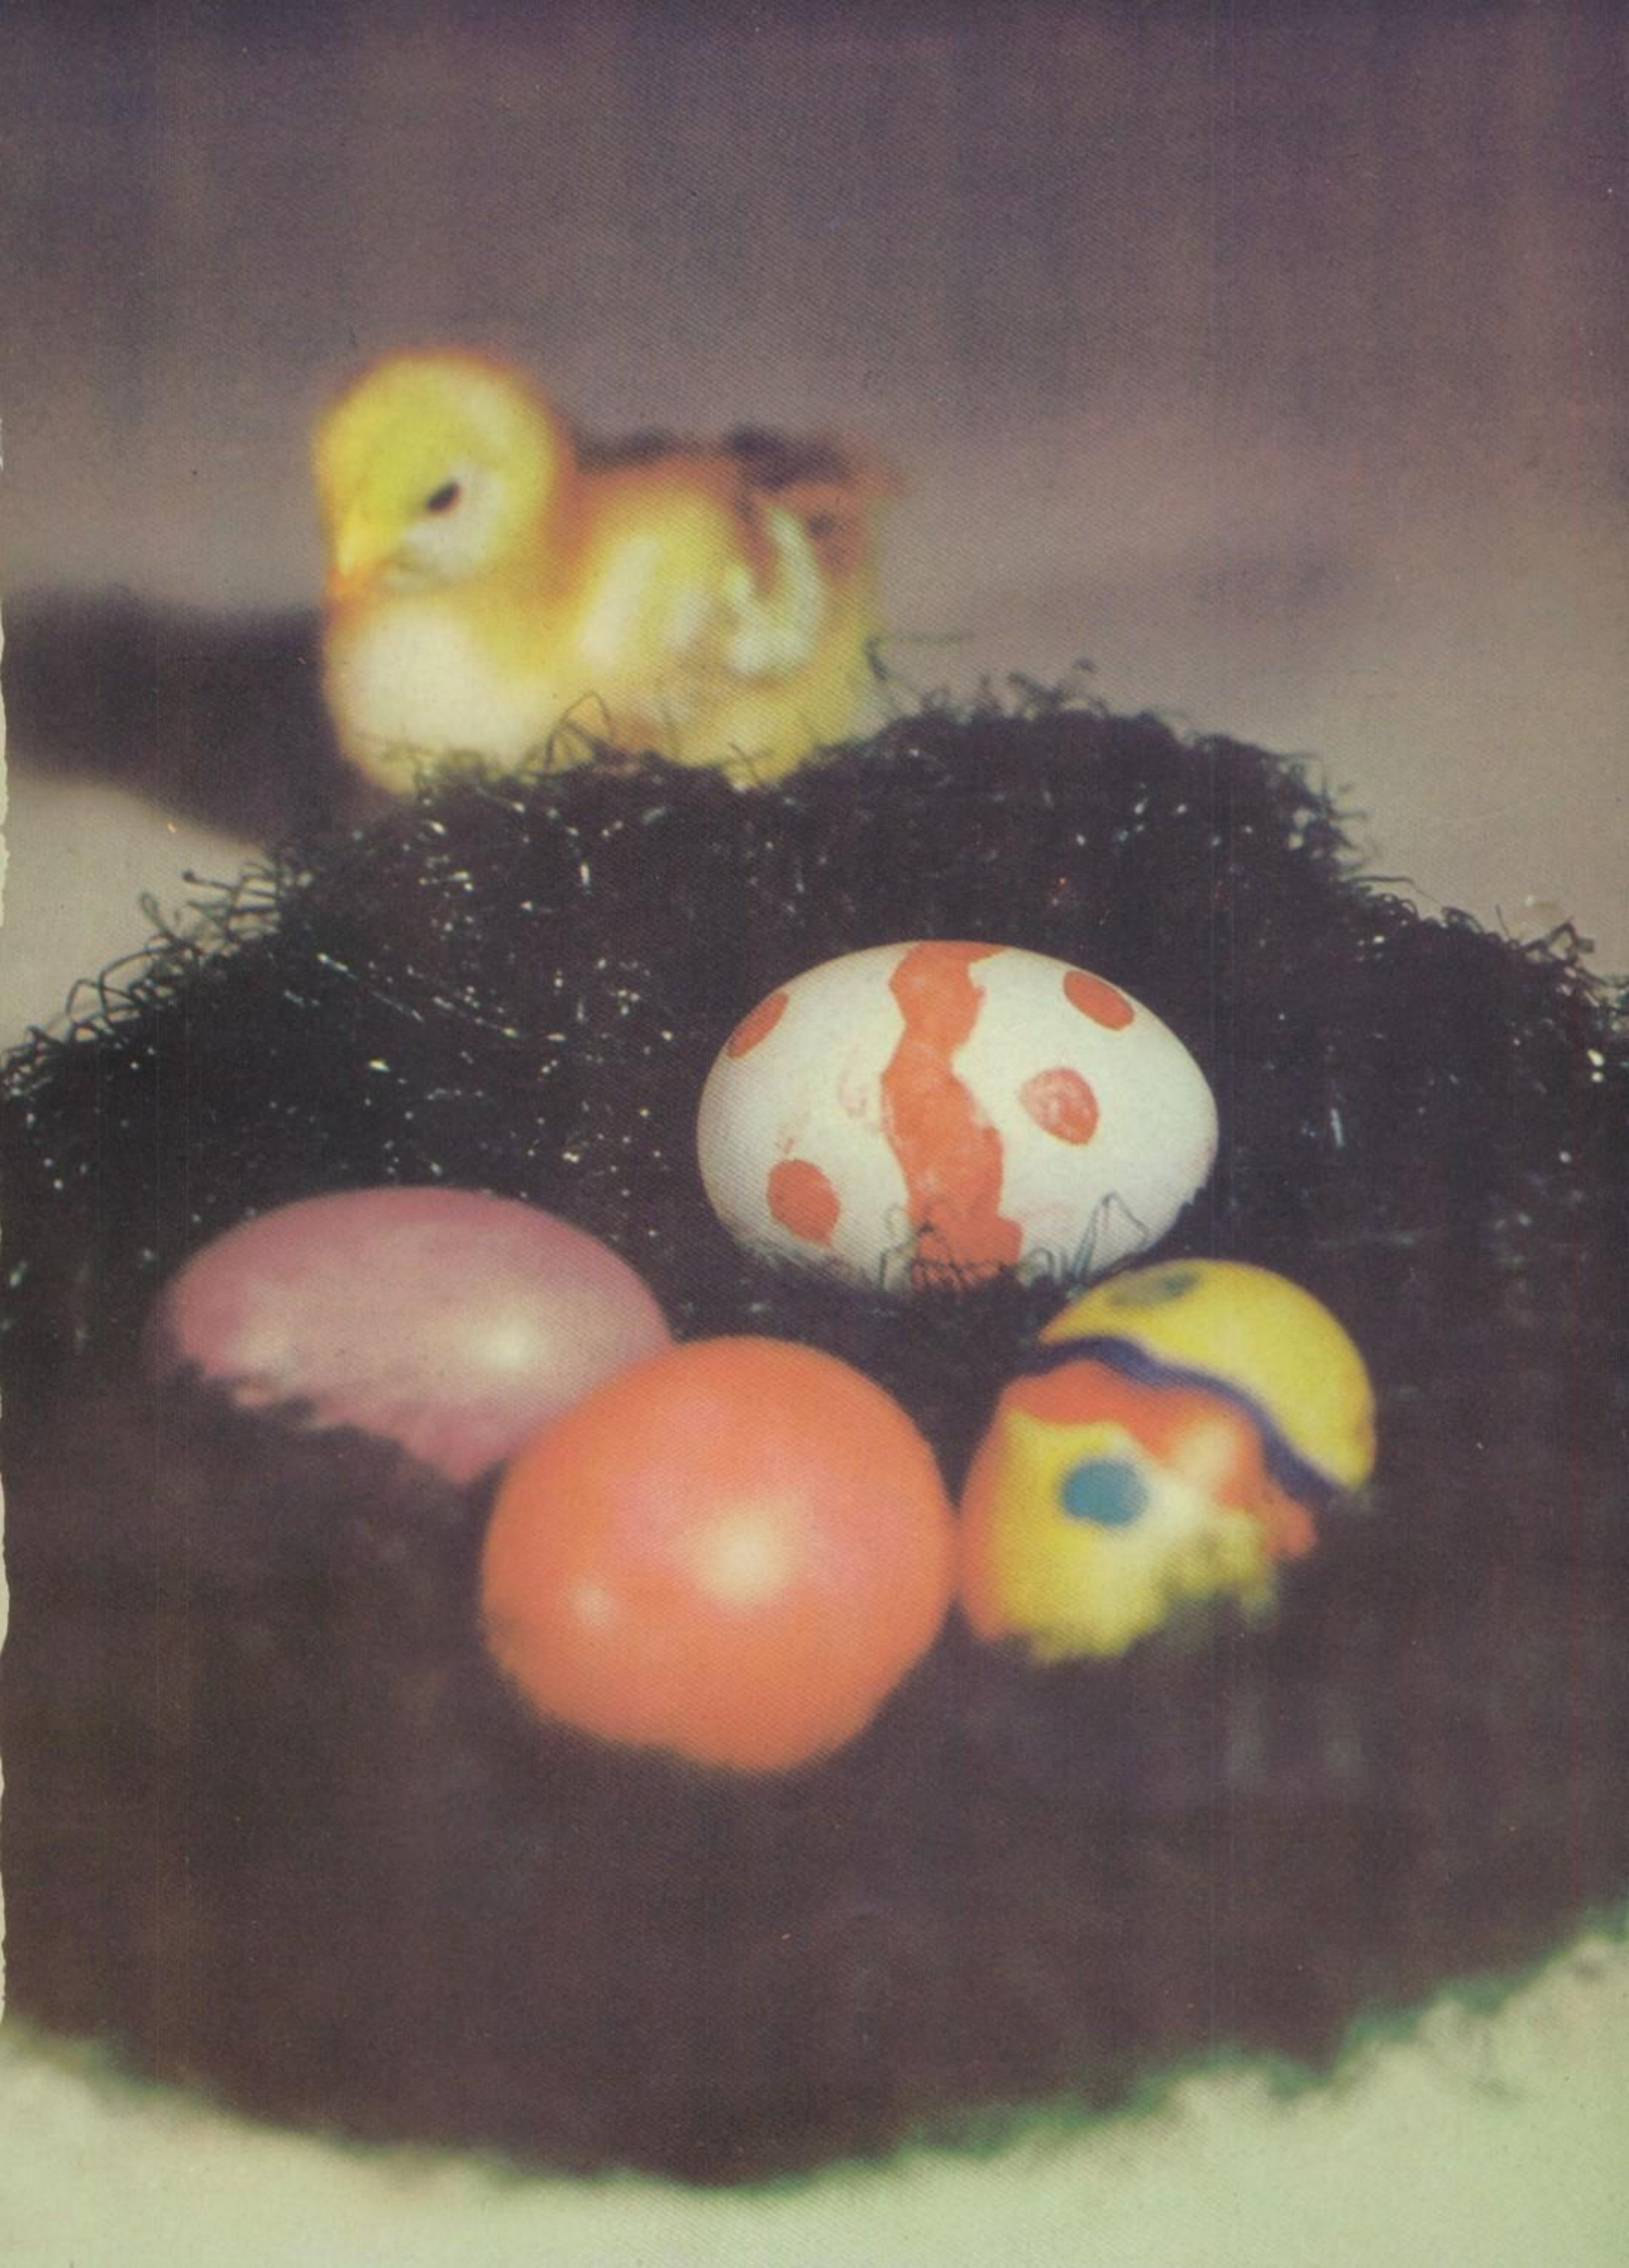

Administration

At a critical stage in our growth, we come under the influence of our teachers. Just as all undeveloped things must improve and take on greater properties of quality, so do our minds through their care.

The color, green, is sometimes associated with youthfulness and immaturity. It applies, as well, to new life creating fresh opinions.

As we complete our formal education, there are many things for which we are thankful. Among our privileges and blessings is the right to improve our minds in a land of freedom of learning.

THIS, OUR FIRE

Our fire is done; no longer shall we use
 Its light and glow;
 We must leave it carefully banked and
 tended—
 This hearth we know.
 Has it been years or only days ago
 Since first we came
 To fan the smouldering embers
 Into bright flame?
 How eagerly we gathered all our hopes
 To build the fire
 And laid on it ambitions, energy
 And heart's desire.
 It served us well; the flame burned bright and
 clear
 Throughout our day;
 We owe to it a debt that we
 Can never pay.
 Now we must go to tend those other fires,
 Work, and waiting, and war,
 On hearths less friendly, that we have
 Not known before.
 This tended fire that we must leave,
 Once bright and free,
 Now lies cherished in the embers
 Of our memory.
 But even as we leave it, other feet
 Will come this way;
 Other eager hands will bring fresh fuel
 And on it lay
 Bright new plans and hopes until the blaze
 Springs high
 With the traditions of our school
 That can never die.

D.A.R. Award

Mary McLaughlin, Catherine Snow, and Mary Leigh were chosen by the Midyear and June senior classes as candidates for the annual Daughters of the American Revolution award. The students voted on a longer list of nominees which had been chosen for merit in citizenship. From the three girls, the faculty selected Mary McLaughlin to represent Decatur High School.

The winner of the state contest, selected by a drawing from representatives of each high school in Illinois, is presented with a hundred dollar war bond. Basis for selection included these points: honesty, leadership, service, dependability, and punctuality.

Mary's leadership and dependability have been demonstrated throughout her years of high school. She won first and second prizes in the Herald and Review Story Contest and first prize in the Lincoln Essay Contest. She has been active on the Debate team and on the Observer and Decanois staffs. All three girls are members of the National Honor Society. Mary Leigh (left) was secretary of the Student Council and Catherine (right) was editor of the Observer.

Cross

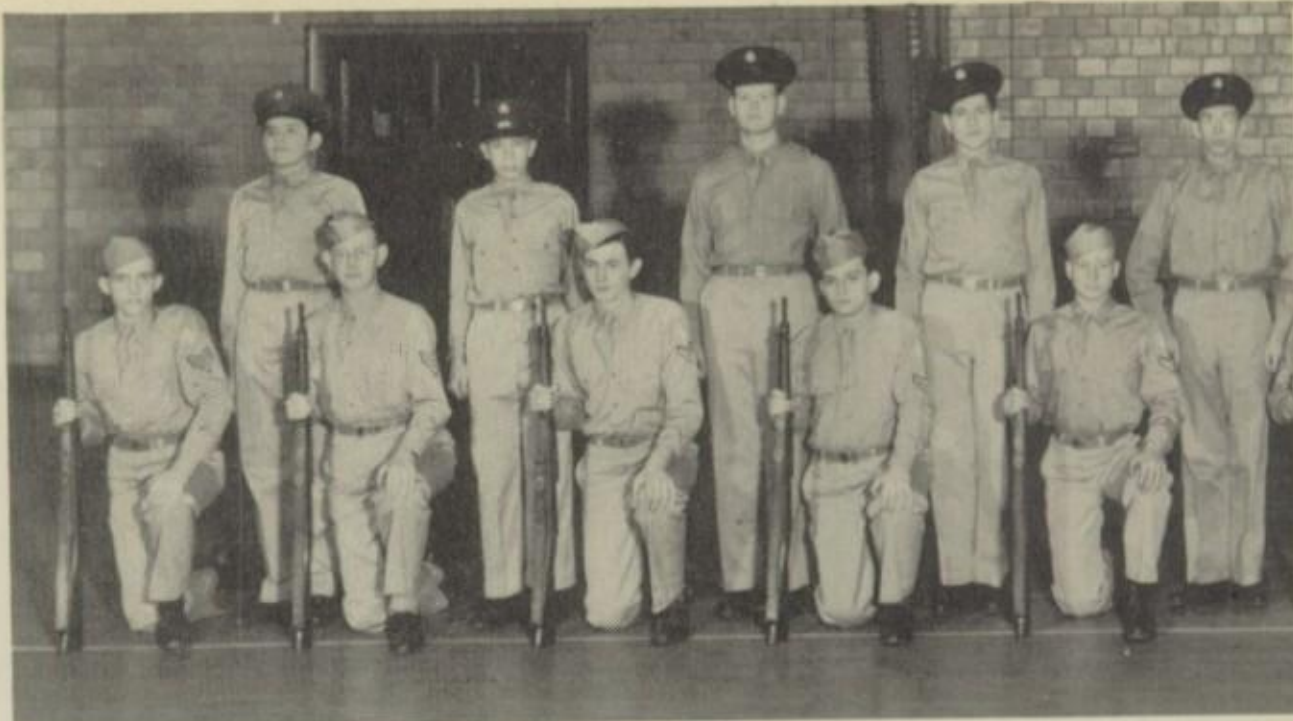

The members of the Junior Red Cross Council are, left to right: Ann Curry, Mary Merris, Bill Brown, Jean Durkee, Virginia Thornborough, and Janet Frye. At the top are Amelia Downing and Bob Graves. At the bottom are Richard Burstein and Jody Hinds.

The Junior Red Cross was organized in Decatur High School in 1941. It is an organization in which high school students, acting under orders from the war department, may aid their country.

During the three years of its existence, the Junior Red Cross has been carrying on vital war work. During the first year of organization, various drives were made covering recreational needs for soldiers. Throughout this year, under the direction of Miss Effie Theobald, the club has accomplished much. At Christmas time eight baskets, accommodating ten persons each, were distributed to needy families. A combination radio-victrola and records were presented on behalf of the Junior Red Cross of Decatur High and the four Junior Highs to the soldiers at Chanute Field.

Distributive Education

The aim of the Distributive Education Club is to acquire a knowledge of the principles and practices of retailing. This includes a study of how different types of stores can be operated more efficiently in regard to displaying merchandise, buying, and managing. A study of how to deal with various types of customers and make better sales has also been made. Each week one member plans and arranges the display window built recently in the classroom.

The officers include Charles Entrekin, president; Ray Reynolds, vice president, succeeding John Clark; Velma Jean Collins, secretary, succeeding Lucille Neuendorf; Alice Davis, treasurer, succeeding Lucille Neuendorf; and Edna Karloski, press reporter. Mr. Pearson is the adviser of the club.

Midyear Class Day

Differing from the usual humorous program, the 1943 Mid-year class day was dedicated to the Decatur High School boys who have been killed in service.

Alice Bridgewater recited the familiar "Spires of Oxford". Each of the Midyear girls, wearing large gold stars, gave a short history of one of the boys, telling when he had joined the

service and how he had been killed. A few members of the class presented a pageant depicting our school's part in winning the war. The remainder of the program was in keeping with the patriotic theme.

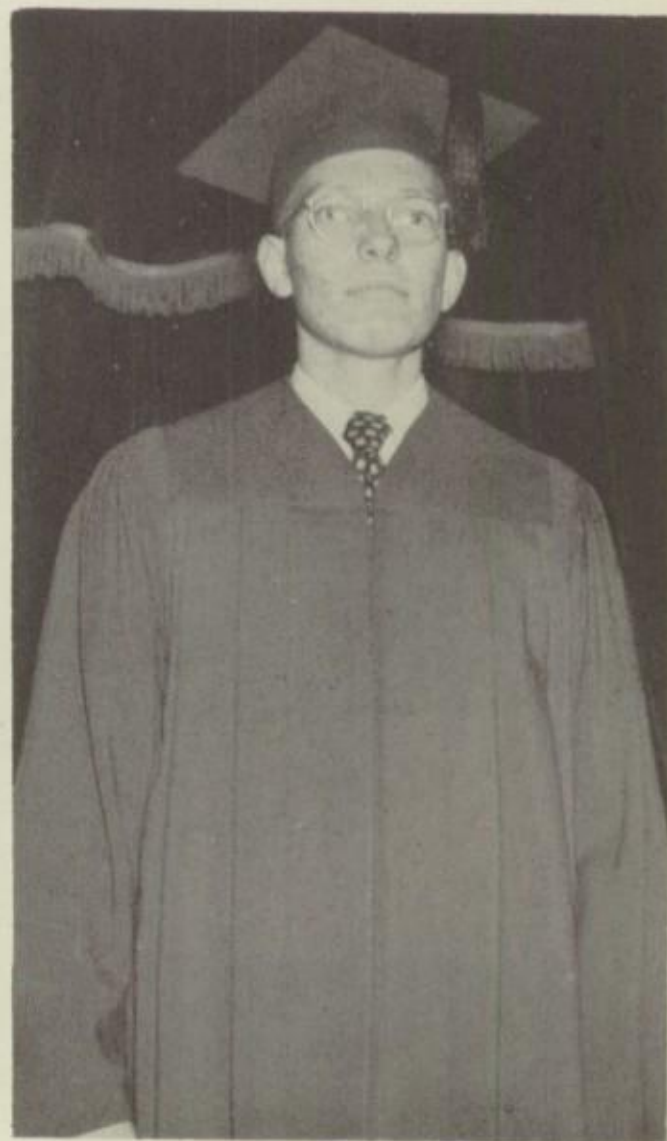

The picture above shows the girls of the class as they stood below the service flag forming a V.

MRS. CLOVER

Ever Since Eve

Ever Since Eve is the mirthful story of Susan Blake, a career girl, and the troubles which beset those two musketeers, Johnny Clover and Spud Irwin, editor and business manager of the Preston High School *Penquin*. When Susan high-pressures herself into the position of assistant editor, things really begin to pop. Before the curtain falls on the second act, Susan, with the best possible intentions, has almost bankrupt the *Penquin*, shaken the friendship of the musketeers, and given them the measles. When her innocent enthusiasm involves all three in an illegal pinball game, which almost lands them in jail, Johnny's mother steps in. She saves the day not only for the young people, but also for the high school principal and the pretty journalism teacher, whose lives have been disrupted by the meddling, but ever adorable Susan.

THE MONTAGUE GIRL

MRS. PATTERSON-

AMOS G. GASHWILER

TESSIE KEARNS

Merton of the Movies

Merton of the Movies, by Harry Leon Wilson, was presented by the Senior Class of 1944, February 25 and 26.

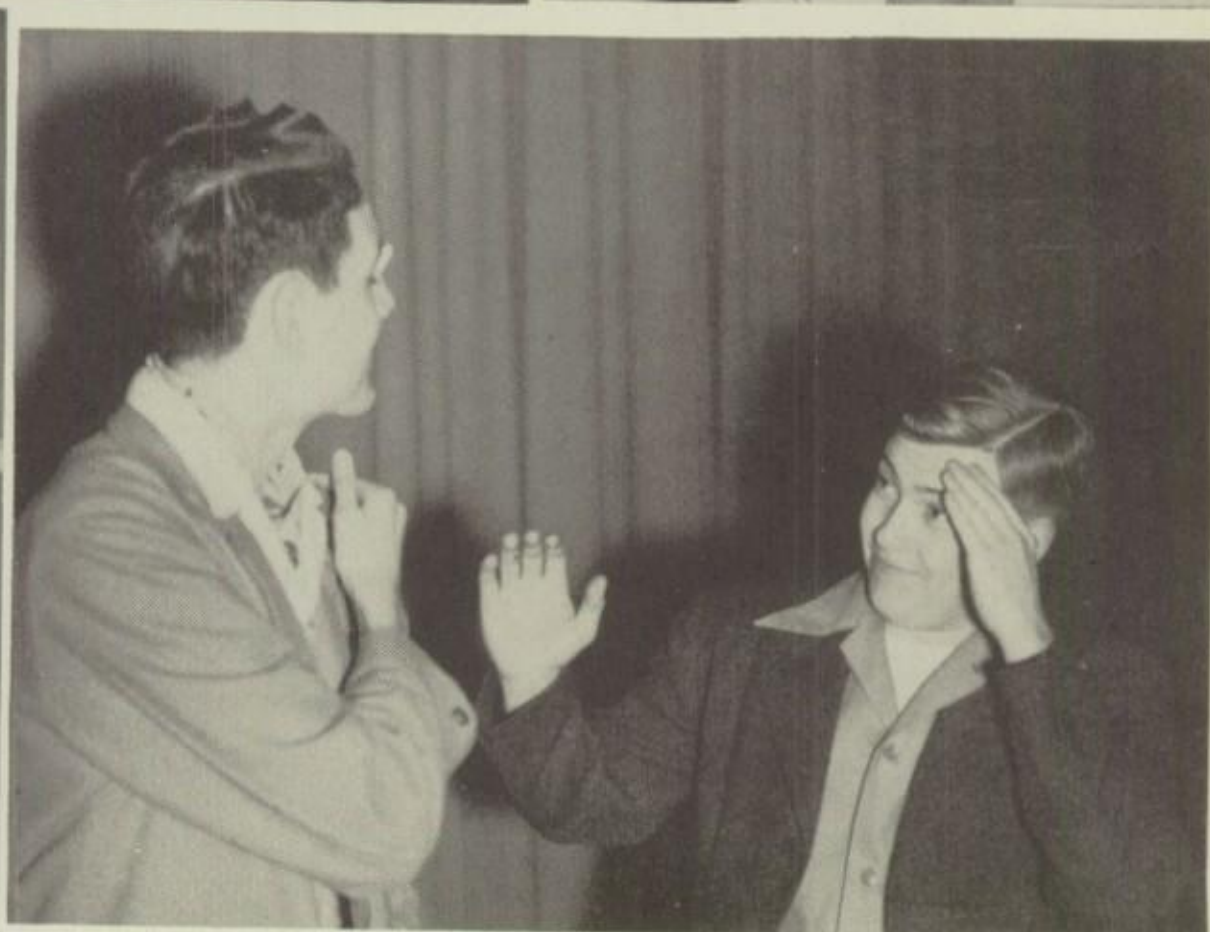

Merton is a small town boy who decides he wants a career on the stage instead of a job in Mr. Gashwiler's general store. He saves up his money and, in the course of time, he has enough to get to Hollywood. He has many difficulties but finally gets a job playing what he thinks are serious parts, but really he is being played a sucker by Jeff Baird and the Montague Girl. They lead him to believe he is a great hero of the screen such as his idol, a certain Parmelee. He finally finds out that he is not in the type of pictures that he thought he was and so thinks that his career is ruined.

The Montague Girl meanwhile has fallen hook, line, and sinker for Merton, and she makes him see that he is much better at making comedies than he is at serious work.

Finally Merton discovers his place is in comedies, and he finds he can be contented with them, that is, if the Montague Girl is still around.

A Cappella Choir

The A Choir under Miss Gertrude Keyl's direction has given its best musically this year. Highlighting the activities were the beautiful and impressive Christmas vespers, given for students and adults, and the annual Easter sunrise service. A trip was made to Springfield in March to provide the music for the teachers' conference which took place in the Orpheum theater. This provided good entertainment for the teachers and excellent experience for the singers. The choir has sung for various civic organizations and has kept its reputation for fine music. Gayle Garton was accompanist for the choir.

Singing a variety of numbers, choir members have learned to sing as a group, sacrificing their individualism for the sake of the choir. Some students have sung in the choir for three semesters. Those who have spent only a short time in the organization will remember their experiences as interesting ones. The curtain is rung down for another year on the A Cappella Choir, and hasn't it all been fun!

The members are, counter clockwise: Jayne Anderson, Marilyn Andrews, Joe Bailey, Dale Baldridge, Roy Bartrem, Phillip Batson, Betty Bissey, Eunice Bolz, Eleanor Ann Brown, Pauline Brown, Joan Clendennings, Bill Cullins, Sharlee Davis, Keith Dean, Raymond DeLaughter, June Drum, Ann Ecklund, Bob Eifert, Lois Ellegood, Gary Florian, Gloria Galley, Betty Gammon, Gayle Garton. In the lower left is Charles Groo, and in the lower right is Marilyn Heath.

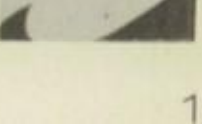

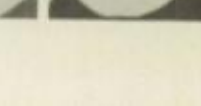

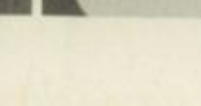

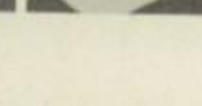

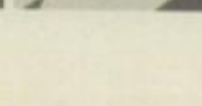

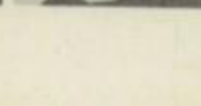

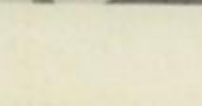

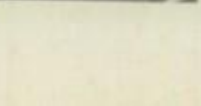

A Cappella Choir

Merton Ives served as president for the first semester. Other officers were: Peg Montgomery and Dean Peel, vice presidents; and June Drum, secretary-treasurer. For the second semester, Bob King was president; June Drum and Bob Eifert, vice presidents; and Peg Montgomery, secretary-treasurer.

Counter clockwise: Jeanine Hoffman, Rowena Jordan, Miss Keyl, Vida Kersch, Gene Kile, Mac Kile, Bob King, June Landis, Ethyl Leeds, Jack Longbons, Elizabeth Mahaney, Jean McCormick, Sally McKeown, Edna M. B Choir

The B Choir was formed last year when the original A Cappella Choir was divided into two groups. This choir is under the direction of Miss Margaret Fassnacht.

The Christmas Vespers service, which called for hard work and good musicianship, was the high point of the year. During Holy Week, B Choir gave a concert at the First Methodist Church on Sunday evening, April 2, and also at the Presbyterian Church, Thursday, April 6. They gave the Holy Week auditoriums at school and climaxed the week by singing at the Easter morning sunrise service, April 9.

Out of this group have come many of the members of special ensembles. The choir has had several engagements to sing, and these have all been fulfilled to the complete satisfaction and enjoyment of Decatur listeners.

The members are, left to right counter clockwise: Marilyn Aulabaugh, Juanita Bailey, Betty Bain, Edward Besalke, Robert Burgett, Eulavohne Butler, Carl Campbell, Berdena Carr, Juanita Cole, Bonnie Craig, Raymond De Laughter, Pat Egnor, Barbara Fogler, Charles Fuson, Mary Gammell, Shirley Garver, Barbara Gunter, Herman Hale, Joan Hanks, Norma Hawkins, Margery Hicks, Bette Hubbell, Olive Jewell, Billy Johnson, George Kuhns, Bonnie Liming, Scott Lusk, Janice Lutz, Margaret Martin, June Meece, Shirley Merritt, Carol Miller, Corwin Minick, Jack Patton, Dorothy Parmenter, Betty Ptomey, Russell Price, Barbara Jean Ray, Barbara Ream.

Girls' Choir

The Girls' Choir is another one of the many active groups of singers at D. H. S. It consists of 36 girls directed by Miss Keyl.

Standards that these singers adhere to are not easy. In music, as in other activities, a certain amount of teamwork is necessary. Willingness on the part of each girl to take only her share of the spotlight has accounted for the club's success, and it is one of the most sought for D. H. S. musical organizations.

Girls' Choir is commonly known as a "build-up" group for the A Choir which is the highest musical group in D. H. S. Many of its members, after one or two semesters of rigid musical work, are eligible for the A Choir.

Throughout the year, the Girls' Choir plans to give various public appearances.

Officers for this semester are: Mary Godwin, president; Jane Crocker, vice president; and Doris Kashefska, secretary-treasurer.

Aristos

Aristos, one of the two literary societies for girls, is under the direction of Miss Georgia Mitchell. The purpose of this organization is to broaden the girls' interest in subjects of English, to increase their knowledge of books and plays, and to provide a new type of social event for the girls.

During the year, speakers have been brought to the meetings. Members from Aristos took part in the inter-society contest around which the first semester's work was centered.

The requirements are to have a C average and to have eighth hour free. Members, reading counter-clock-wise are: Mary Singleton, Ruth Weidemeyer, Joan Cast, Jean Clark, Amelia Downing, Elaine Hoffman, Helene Loeffler, Marilyn March, Dorothy Parmenter, Betty Ping, Mary Scherer.

Agora

The members of Agora Literary Society meet once each week to discuss current as well as classical literature. These meetings, which are held each Monday during the eighth hour, are informal and interesting, with Miss Lois Yoder as adviser.

During the first semester, the group spent most of its time working on the inter-society contest which Agora placed first this year. Darlene Bradley won first place in the humorous reading contest, and June Drum placed third in interpretative reading. Jean Chastain was second in the dramatic reading contest, and first place for the learned oration went to Margaret Haan. In the second semester, Agora helped to sponsor an all-school carnival dance which was held in the old gym on March 23.

In the left corner is Martha Ward; in the right, Jacqueline Ware.

Forum

Forum Literary Society is an organization of boys who find fun and enjoyment through the club's activities. These activities are not wholly literary in aspect, and thus a wide variety of activities is possible. Forum was named from the Roman Forum where the intellects of that day met and discussed current topics. The Forum of today also meets for discussions upon all types of problems and ideas.

Purposes of Forum are to create and maintain a literary interest among the boys of Decatur High School, to give practice in speaking before a group, and to give actual experience in parliamentary procedure.

Requirements for membership are a C average in English, the eighth hour free on Monday, a two minute acceptance speech, the successful completion of a brief pledge period, and acceptance by vote from the members.

Some of the activities of Forum include a monthly night meeting in the home of one of the members, inter-society contests and banquet, and picnics, parties, and basketball games with a rival society.

The officers of Forum are: president, James Morrison; vice-president, Jack Ward; secretary-treasurer, Francis Songer; and sergeants-at-arms, Harold Durcholz and Leonard Schwab.

Rotaro

Rotaro is one of the two literary societies for boys. The name Rotaro is derived from spelling the word orator backwards, and thus it explains the purpose of the club. After a brief business meeting, the program consists of reports and outside speakers.

This society meets each Monday during eighth hour. The requirements for membership consist of tryouts and a C average in English. Dues for one semester are thirty-five cents, and if all requirements are fulfilled, a credit is given for the semester's work.

Officers for the first semester were Herbert Imhoff, president; Thomas Mentis, vice president; Richard Ferry, secretary; and Loren Ernest, treasurer. New officers were elected for the second semester, and they include: Richard Ferry, president; Gordon Mier, vice president; George Manoff, secretary; and Stuart Black, treasurer. Thalia

Thalia, a dramatic club in Decatur High School, was organized in 1936 by a group of boys with Miss Robertson as adviser. The original membership included thirty-five boys and girls. From time to time Thalia has presented plays for the public and the student body.

This year Thalia meets in Room 327, the ninth hour on Thursdays. Tryouts for membership include readings and pantomimes.

The officers for the first semester were: Georgia Shaffer, president; Carolyn Seitz, vice president; Carol Seitz, secretary; Byrd Davis, treasurer; Herbert Imhoff and Francis Songer, sergeants-at-arms. The officers for the second semester are: Janet Frye, president; Letitiann Parks, vice president; Patricia Maxwell, secretary succeeding Esther Clark; Dorothy Parmenter, treasurer; Georgia Shaffer and Barbara Ray, sergeants-at-arms.

The programs have been of an educational type, preparing members for a three act play, as well as giving them practical information. Some of the more interesting discussions have been about make up, gestures, facial expression, stage settings, dialect, and reading and casting of one act plays. The discussions are augmented by demonstrations which have been helpful in gaining an understanding of the fundamentals of acting.

Parties have been given in the homes of several members and in the regular meeting place. Members, reading counter-clockwise: Eleanor Bogart, Ellen Burrus, Doris Greb, Olive Jewell, Letitiann Parks, Dorothy Parmenter, Barbara Ray, Norma Riedel, Carol Seitz, Carolyn Seitz, Georgia Shaffer, Martha Soffas, Twila Strocher.

Junior Art League

The Junior Art League was organized in November, 1912. It grew out of the senior organization now called the Decatur Art Center. To be eligible for membership, a student must have been previously or now be enrolled in an art class. The adviser is Mrs. Maude C. Meyer.

The purpose of the club has been to develop an understanding and desire for beauty everywhere and to increase the interest in Fine, Commercial, and Industrial Arts. The purpose of the club this year has been to be of service to the school, to the community, and to the nation in advertising with posters all the campaigns and activities to hasten victory and world peace.

Christmas cards were made and sent to all former Decatur High School men and women in service. Hand made tallies and favors were sent to the Red Cross for sick servicemen in hospitals.

Officers for the year were Charles Boyle, president; Lorraine Bain, vice president; Doris Jacobs, secretary succeeding Shirley Merris; Donald Polen, treasurer; Wilma Olsen and Bill Heyduck, press reporters succeeding Lois Jackson and Bernard Bachstein; and Bernard Bachstein, program chairman succeeding Lorraine Bain.

The members reading down are: Bernard Bachstein, Lorraine Bain, Charles Boyle, Dick Bramer, Ina Fackler, Bill Heyduck, Doris Jacobs, Margaret Jones, Shirley Lanhams, Shirley Merriss, Wilma Olsen, and Eleanor Weaver.

Girls' Athletic Association

The purpose of the Girls' Athletic Association is to give high school girls recreation after school. It gives them a chance to learn the authentic rules and regulations of the various sports. To promote sound, healthy bodies so that the girls may do their share in the war effort is an objective of the club.

The G. A. A. meets once a week with its adviser, Miss Helen Kyle. In its first few meetings the G.A.A. decided not to continue to be a member of the state athletic association.

Officers were: Berdena Carr, president; and Harriet Kirby, vice president. When Miss Kyle left for service with the American Red Cross, the club disbanded, but will reorganize next year.

Members are, counter clockwise: Viola Cassidy, Alice Funkhouser, Aileen Hedrick, Harriet Kirby, Norma Jean May, Annette McAdams, Christine Mentis, Shirley Merris, Juanita Oliver, Jean Powell, Betty Rambo, Beulah Rambo, Barbara Ray, Caryl Seitz, Caryln Seitz, Mary Louise Severns, Betty Shively, Martha Soffas, Julia Strocher, Minia Whaley.

Crystal Bird Club

The Crystal Bird Club, a club of colored girls, is named for Miss Crystal Bird, the first colored member of the national Y.W.C.A. staff.

The club's objective for 1943 and 1944 was to take part in the American Red Cross Nurses' Helpers Class. It has given to charity, sponsored a formal dance, helped plan the World Fellowship dinner, the junior membership party, and a tea for incoming sophomores. Also, the members have attended the social hygiene address.

The officers for 1943 and 1944 were: Valerie Shirley, president; Williene Fuchre, vice president; Elizabeth Wisdom, secretary; and Thelma Sangster, treasurer.

Counter clockwise: Varnell Anderson, Doris Baugh, Albertha Brassfield, Annie Broadnax, Williene Fuchre, Genevieve Fuchre, Carlene Jones, Mattie King, Ruth Mendozia, Lettie Natt, Earline Perkins, Viola Portis, Frances Price, Lorean Sangster, Valerie Shirely, Daisy Williams, Elizabeth Wisdom. *Above center:* Mrs. Thomas Glass, adviser.

Tri-Y

The "war effort" changed the program of the Tri-Y club from an after school group to a schedule which began with archery at 3 P.M. and ended with supper at 7 P.M. Because high school girls have done all kinds of volunteer and paid work in the community, all-out-offensive activities have been planned accordingly. Swimming, handicraft, music, community service, A.R.C. nurses' aides, work at Decatur Day Nursery, slumber parties have been included.

The officers of the club are: Joan Purdue, president; Rosellen Kock, vice president; Mary Alice Muirheid, secretary; and Shirley Miller, treasurer. Miss Christine P'Simer is adviser, and Miss Elizabeth Connard is consultant.

The members are, counter clockwise: Dolores Baker, Esther Clark, Marilla Hughey, Katherine Harris, Mildred Hauser, Doris Jacobs, Margaret Jones, Shirley Merriss, Shirley Miller, Mary Alice Muirheid, Juanita Peifer, Jean Powell, Betty Pundt, Guyneth Purdue, Joan Purdue, Barbara Jean Ray, Ramona Ross, Patsy Stone, Gertrude Weaver.

Spanish Club

Spanish Club is made up of students interested in continuing their study of the Spanish speaking countries and their language after school hours.

The programs consist largely of discussions of life in the Latin American countries and Spain, movies and displays of souvenirs from Mexico, and songs and games which provide opportunity for practice in the Spanish language.

Officers for the first semester were Charles Aschauer, Phyllis Lehman, and Donald Falk. During the second semester Marilyn Brown, Donald Falk, and Betty Tozier served as officers. Miss Marie Shuck is the adviser of the club.

Counter clockwise: Charles Aschauer, Dan Banner, May Black, Marilyn Brown, Margery Cushman, James Ehman, Martha Gisenger, Irene Karloski, Phyllis Lehman, Shirley Molloy, Juanita Oliver, Donald Snyder, Don Tozier.

Le Cercle Francais

The French Club members who meet on Wednesdays, eighth hour, have tried to learn more of the culture and art given to our civilization from our French inheritance.

Their programs have been varied from travel in France through travelogues, to recent letters in French from the Islands and North Africa, to excerpts from the literature of modern writing in French.

Sources of their reading material were the French library in 217 with 200 copies of books in French and recent copies of the French magazines, *La Victoire*, *La Vie*, and *L'Illustration* from Paris.

The members are, left to right: Lloyd Andrews, Eleanor Bogart, Patty Crain, Gloria DeMoss, Beryl Harris, Mary Scherer, Joanna Stern, Mary Trueblood, and Ruth Weidemeyer.

Science Club

The Science Club is composed of students interested in the study of science. The members are Barbara Clark, Raymond Daugherty, Don Cox, Carolyn Farrell, Maxine Fish, Mary Hebenstreit, Jeanne Edwards, Pat McConnell, Bob Miller, and John Wasem. The adviser is Miss Kathryn Sturm.

First semester officers were John Wasem, president; Bob Miller, vice president; and Maxine Fish, secretary-treasurer. Second semester officers are Carolyn Farrell, president; and Mary Hebenstreit, secretary-treasurer. The members are, left to right: Jeanne Edwards, Carolyn Farrell, and Mary Hebenstreit.

Town Meeting Discussion

"Should the Federal Government Subsidize College Education in the Future?" was the topic discussed by seven members of Town Meeting Discussion Club before the Kiwanis Club at a luncheon on November 23. On the next Thursday, the Discussion Club heard the same topic that they introduced to the Kiwanis Club discussed over the radio program, "Town Meeting of the Air."

The Discussion Club meets every Thursday at 7:30 in either the Y.M.C.A. or the high school to listen to "Town Meeting of the Air" and then to discuss the topic afterward. Topics such as "How Must We Deal with Japan After the War to Win the Peace?" and "Should We Conscript Women for Military Service?" were also discussed by the members.

In the fall the club had a weiner roast in Fairview Park. After eating, the group gathered around a glowing fire to sing songs. The only thing different about that was that one fellow knew all the words to the new song "Pistol Packin' Mama."

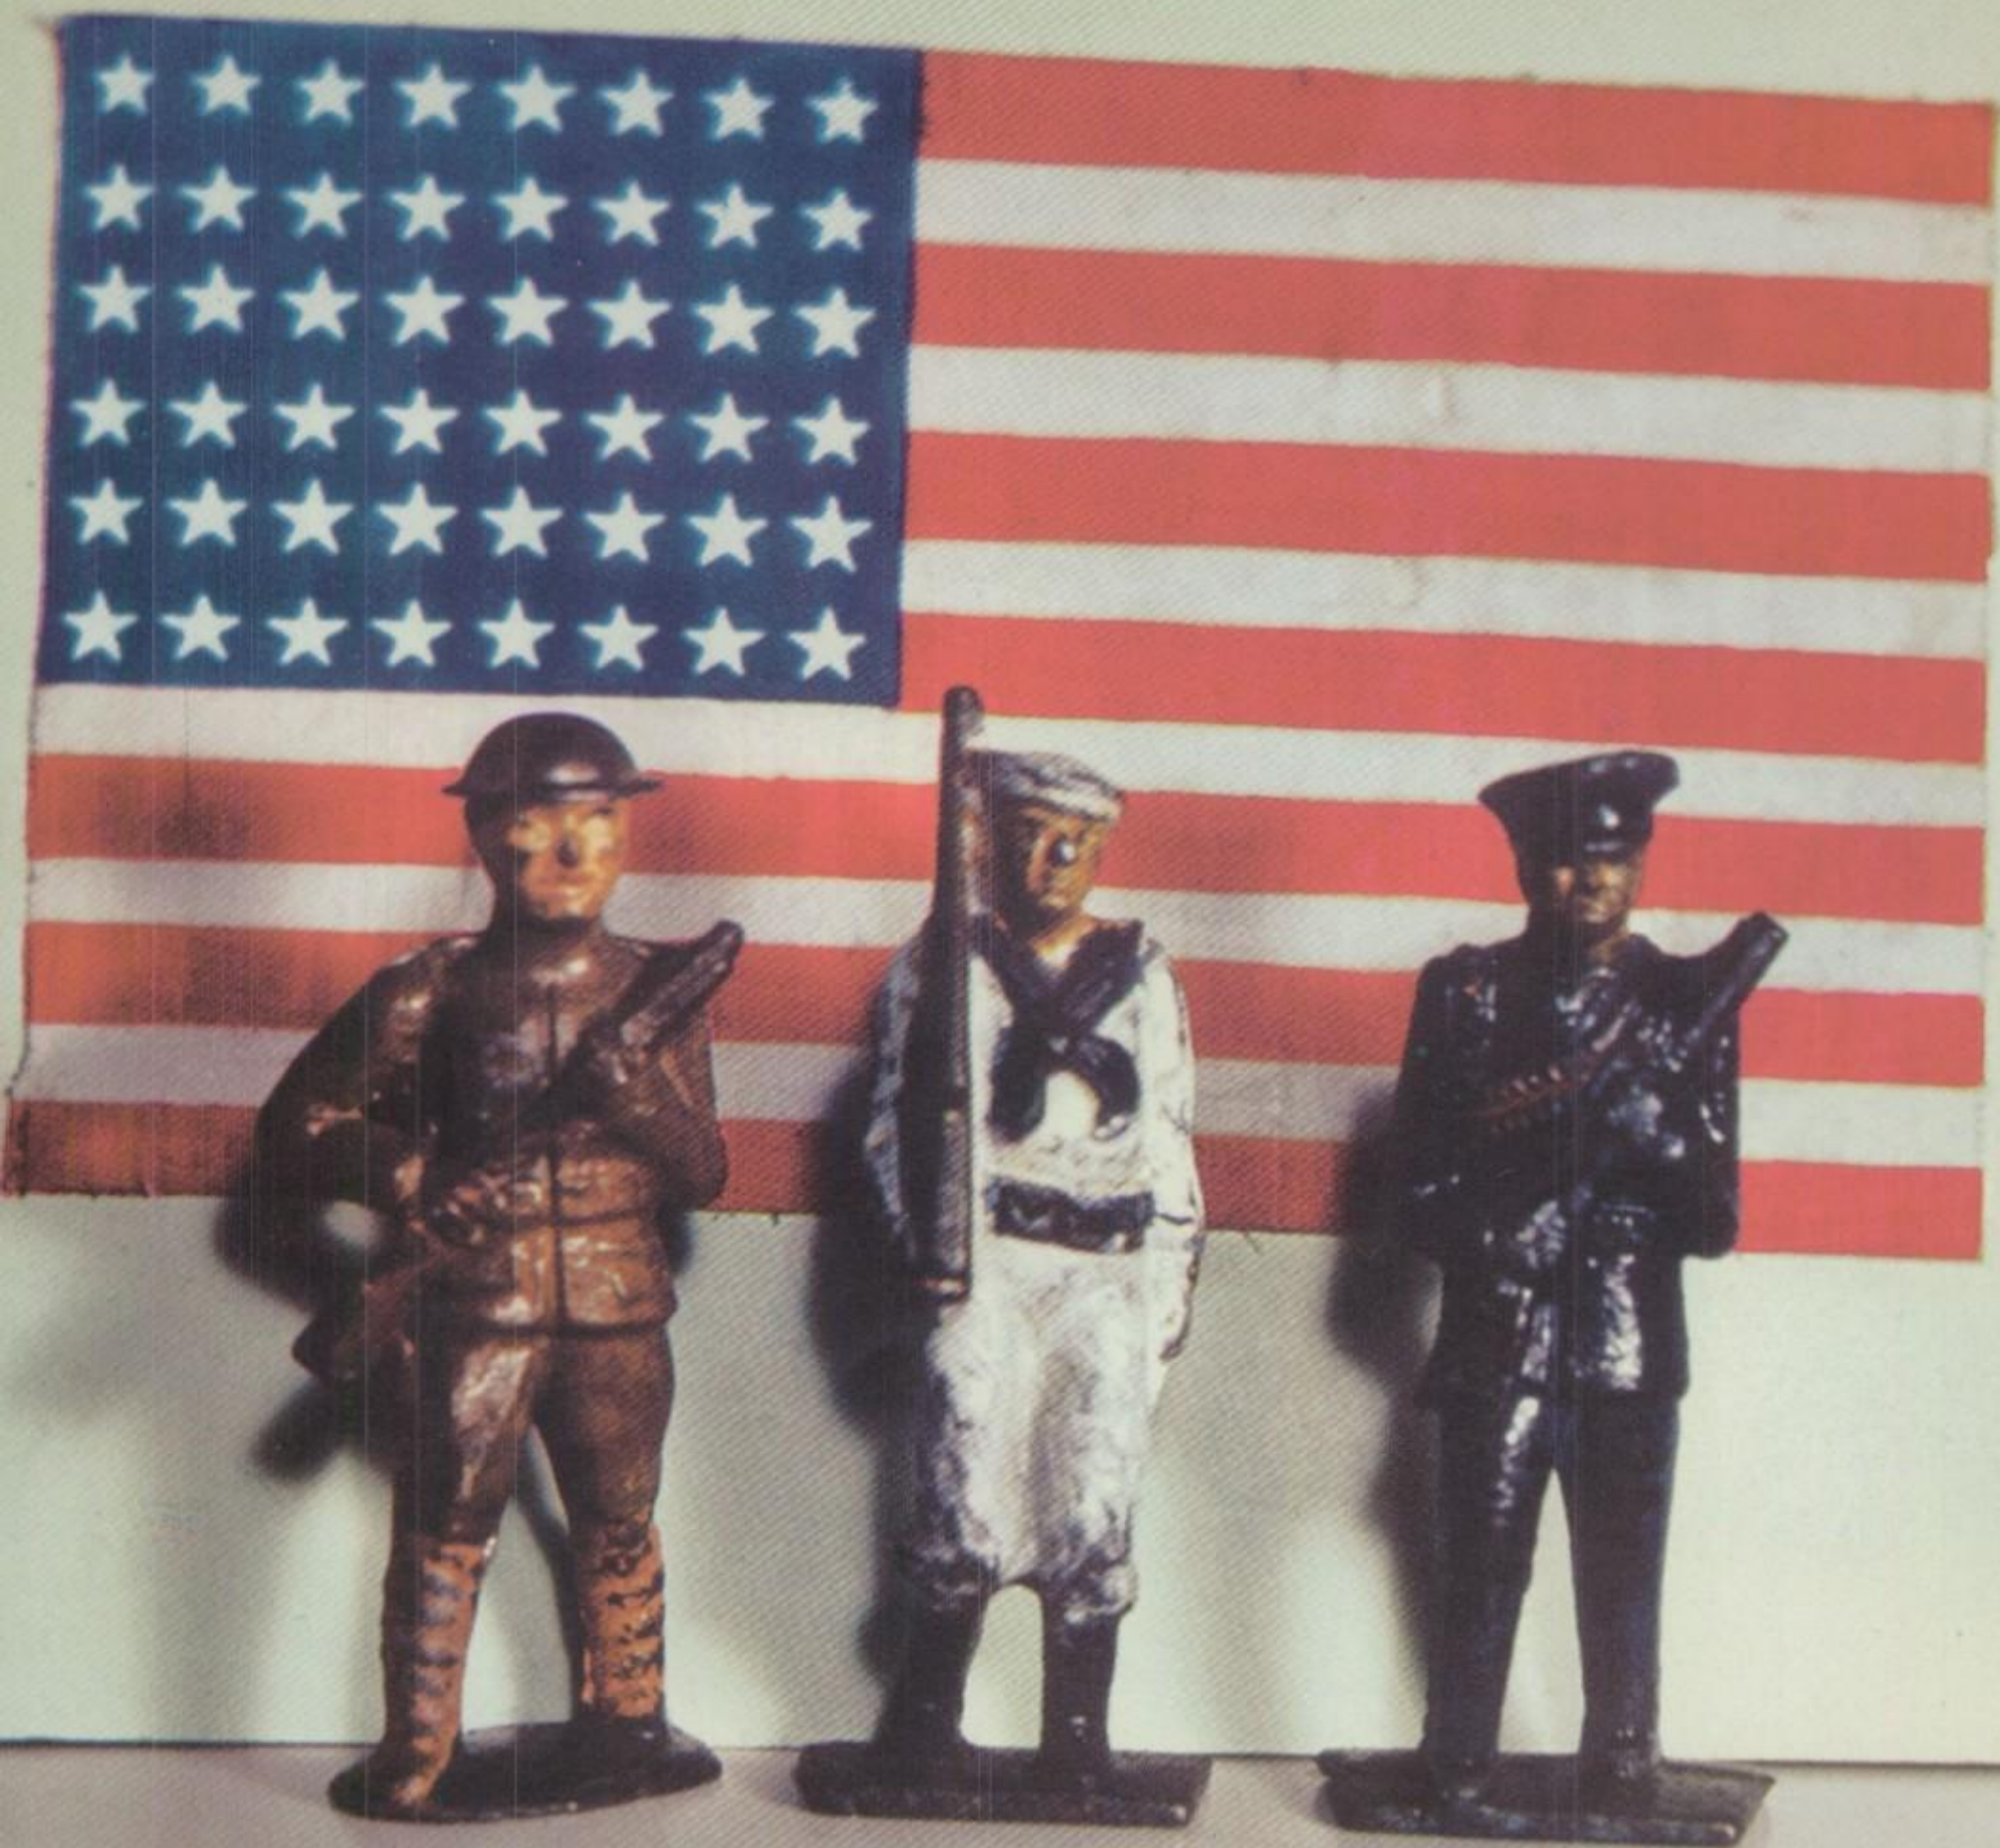

Officers of Town Meeting were elected in the fall and held office the entire school year. They were Catherine Snow, president; Robert Coutant, vice-president; Doris Emmons, secretary; and Darlene Bradley, treasurer. Mr. Hillis Staley is the adviser.

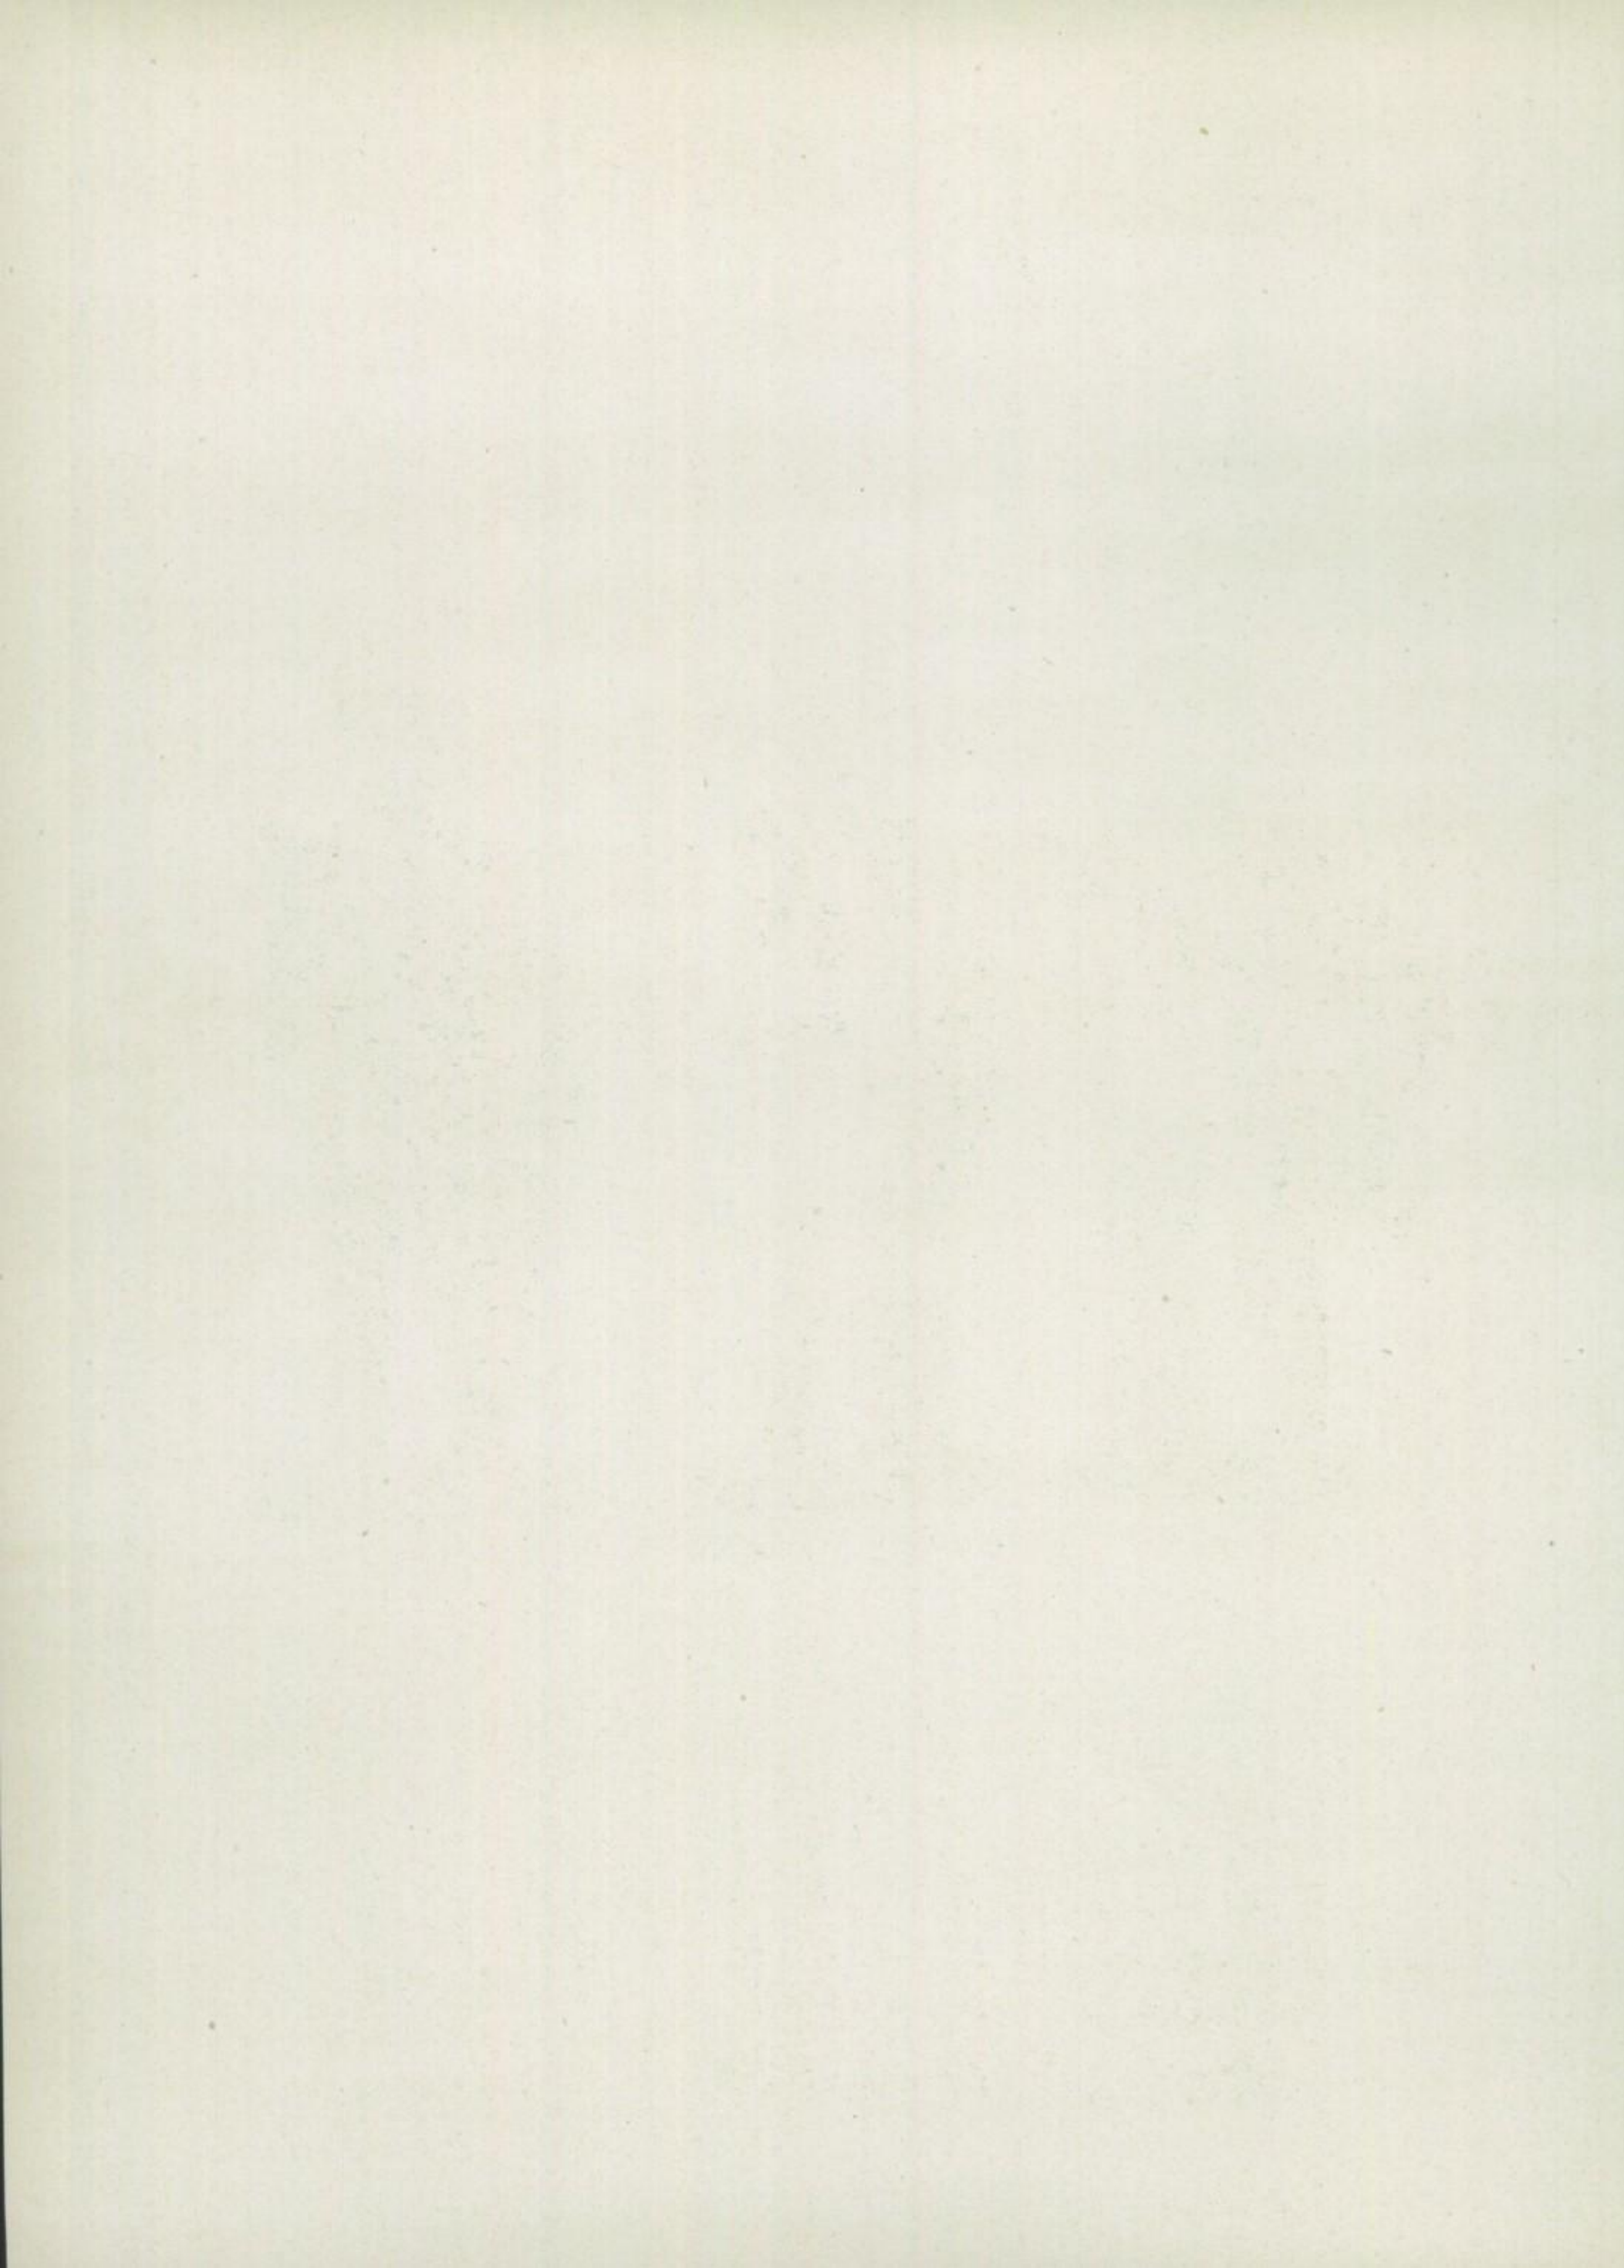

The members reading down are: Darlene Bradley, Jean Chastain, Bob Coutant, Jim Curry, Doris Emmons, Sue Henderson, Helene Loeffler, Hans Loeffler, Marilyn March, Margaret Record, Catherine Snow, and Mr. Staley.

Calendar

Our calendar—our lives—have been greatly affected by the war. We all hope for another Armistice Day, a permanent one.

SEPTEMBER

SEPTEMBER 7

The very first day of our 1943-1944 year and 940 bewildered sophomores! Let's watch out for such cuties and new men as Jodie Weilepp, Nancy Hayes, Sue Shields, Jeanine Hoffman, Tommy Hostetler, Bob Neuendorf, and Frank Byers. Keep your eyes on them.

SEPTEMBER 10

Tonight our super-man football team brought home the first victory, over East Aurora, 6 to 0. Don Lindsey was so embarrassed at the Slateboard Shuffle when everyone sang Happy Birthday to him, but Katie only smiled and looked on.

FIRST FIRE DRILL

COUNCIL OFFICERS

SEPTEMBER 24

We downed Mattoon 44 to 13. What a team! A new combination I elect for a twosome of this year is Todd Davis and Dick Roos. They seem to be everywhere together of late.

SEPTEMBER 25

A Cappella hayride was really fun, according to Mary Margaret Nichols and Ed Ewing, and Betty Lou Stoune and Bill Tombaugh. Bet the chaperons, Miss Kyle, Miss South, and Miss Helen Holland, were sorry they didn't have dates.

SEPTEMBER 28

Ro Oplinger was soooooo surprised to find herself in a dark closet instead of 303. She didn't even want to come out. Can you blame her?

SEPTEMBER 16

Excitement!! A pep meeting in the big gym and Chuck (Mr. White) Boyle told the team just how to beat Hillsboro tomorrow night. The whole team put on a very amoozing skit. Tommy Allen had eyes for only Ruthie Richardson and vice versa.

SEPTEMBER 17

We did beat Hillsboro, too, 20 to 0. The popular opinion is that Peg Montgomery and Liz Mahaney make pretty near perfect cheer leaders.

SEPTEMBER 21

Eighth hour the second Student Council meeting of the year was held, Norman Sanders presiding. Dick Roos was elected vice president; Mary Leigh, secretary; and George Myer, treasurer. This looks like an ambitious group which should do great things.

JUNIOR MEN

OCTOBER

OCTOBER 1

Some last minute rushing was done by a couple of our seniors, Jean McCormick and Evelyn Zipperodt, to find dates for the Harvest Hoe Down. They turned up with Jimmy Wetzel and Bob O'Neil, and so we now believe in last minute planning. Who wouldn't! Our winning streak was halted last night when Streater defeated our team in a close game.

OCTOBER 5

We all rushed out for a fire drill today. It was a pleasure, too, as it was a wonderful day.

OCTOBER 6

Senior meeting, the first, was held today to ratify the senior constitution. It was ratified unanimously! Good work, Jimmy Stollard and committee. Officers were also nominated. From the looks of the nominees, whoever wins will do a good job.

OCTOBER 7 AND 8

Two days of bliss! Meaning, of course, Teachers' Institute. On the eighth the Taylorville Tornadoes took another victory from Decatur, 26 to 13. Speaking of football, Chuck Boyle is still infatuated with Bonnie Schmeig. My-my! Who could have sent two dozen beautiful roses to Jody Hinds? With them was only a card saying, "A tribute to Jody."

OCTOBER 12

An all school assembly was held under Miss Kyle's direction in the new gym today, third hour. From where did all that talent come? That's right. Our very own school. Attention could have been much better.

ALL SCHOOL ASSEMBLY

HALLOWE'EN QUEEN

OCTOBER 14

One of those fall rainy days. Our Little Reds lost to Assumption 19 to 6. Jack Johnson and Pat Edwards were among those present. Seems as if some of our girls are taking their lunches this year and eating on such places as the Masonic Temple steps. Some people have the funniest ideas of fun.

OCTOBER 15

The Decatur gridmen were back on their running feet tonight. They won their second Big 12 conference game over Urbana in a very close fight and tallied 14 to 13. Janet Westland and Jimmy Linder, Mary McLaughlin and Bob Murray (this last couple, incidently, looks like a permanent pair) were among those present at the Cow Cow Boogie dance.

OCTOBER 17

The midyear class play, "Ever Since Eve," is under way. Jackie Bowman has a lead and is surrounded by football players all the time I hear. Am I talking about a play? In life she doesn't do so badly, what with Tommy Hoggins, David Long, Bob Young, and Marvin Seats, who's in the navy. This could go on forever!

OCTOBER 18

Jim Eckman and Lois Brown are at last back together again. Thank goodness. We can all breathe a sigh of relief now. We wish Mack Kile could make up his mind with whom he's going steady. Toody is everyone's favorite.

OCTOBER 19

Senior officers were elected, and they look like the best ones ever. Johnny Cochran is president (Carolyn is so happy); Nancy Cannon is vice-president; Charlotte Dickson, secretary; Don Lindsey, treasurer; and Bill Dickinson and Chuck Boyle, sergeants-at-arms.

OCTOBER 21

Editor of this year's student directory will be James Curry. Margaret Record will be the business manager. We congratulate both of them for helping put out this directory which is a great aid.

OCTOBER

OCTOBER 22

Shirley Merritt and Jack Dawson and Sue Richardson and Dick Emerick were couples attending the dance after the game tonight.

OCTOBER 29

Our team played Quincy and lost 19 to 0. Better luck next time. At the Hallowe'en parade Donna Davey was crowned queen, and a very lucious one she made. She was ably attended by Doris Kashefska, Beverly Bliler, and Marilyn Riter of St. Teresa.

OCTOBER 30

Seaman Dwane Moss was home and looks just fine, just fine, indeed. Doris Gibbs is all smiles and so is Dwane, for that matter. Wonder just who does keep his heart tho-----ever heard of Webster Groves?

STEADIES

SENIOR OFFICERS

NOVEMBER

NOVEMBER 1, 2, AND 3

The Junior Red Cross, in a drive for membership, held assemblies featuring Alan Aulabaugh's orchestra which "jumped" things with "One O'Clock Jump" and other numbers.

NOVEMBER 5

In a home game tonight our football team routed Peoria Manual 20 to 0, putting us at the head of the big twelve conference.

JUNIOR MEETING

SKIRTS AND FLIRTS

NOVEMBER 6

The Junior Red Cross collected \$86 in their drive, and they're now asking for scraps of wool and yarn with which to make lap robes for convalescent soldiers.

Oh, for a hay ride in the rain! Just ask Bob Tearnan or John Lee for further information.

NOVEMBER 9, 10, AND 12

"Macbeth" was presented to the entire student body. Orchids to Joan Odor and Bob King for such fine performances. The entire cast turned in some exceptional acting. The experiment of staging Shakespeare in modern dress was judged by most students as very successful.

NOVEMBER 11

Armistice day—a day's vacation! It served as a badly needed holiday for all of us to recuperate from the "Skirts and Flirts" dance held last Wednesday night in the Masonic Temple. Chalk up another successful dance for our Student Council. A new twosome attending was Pudie Wilber and Bob McCann.

NOVEMBER 12

Today sophomores elected Helen Humphrey, president; Carol Miller, vice president; Alice Ferry, secretary; Eugene Borders, treasurer; William Tomlinson and Pete Nash, sergeants-at-arms; and Tom Hostetler, parliamentarian.

NOVEMBER 13

Our Big Twelve hopes were crushed when Bloomington defeated our team 26 to 0. Captain Bill Dickinson and team turned in some fine playing, however.

NOVEMBER

NOVEMBER 16

Sale of Decanois began in home rooms today. The Student Council brought us a professional play, "Wings Over America," which was presented before an all school assembly by the Lewis Players.

NOVEMBER 19

Midyears gave "Ever Since Eve" to a capacity audience this evening. We all loved Miss South when she forgot her shoes and wouldn't come out to take her bows. Bows were in order for the entire cast, in case you're interested.

NOVEMBER 22

Remember a long time ago, we talked about a student lounge? Well, ten members of the Student Council met at the Y.W.C.A. to talk to some organizations anxious to help us get it started! This student lounge looks as if it is going to be a great thing.

NOVEMBER 23

Yes, the traditional old clothes day at D.H.S., and all the girls sported pigtails and blue jeans, and all the boys—well, they just sported. That night we had a snake dance minus the annual rain.

OLD CLOTHES DAY

NOVEMBER 25

MACBETH

In our opinion, the grandest, most glorious Thanksgiving game of our history was played here today, Decatur defeating Springfield 28 to 13. The special guests, the cadets from Millikin, were the most enthusiastic spectators of all.

NOVEMBER 26

The fourth inter-sorority dance was at the Illini tonight. Decatur girls dress up seldom, but when they do! (Long low whistles from all boys, please.)

NOVEMBER 28

National Honor Society has elected Lynn Whitsett as its able president. They have a big job on their hands with that selling and distributing of war bonds and stamps.

DECEMBER

DECEMBER 1

Junior offices are to be capably filled this year by Downey Hewey, president; Peg Montgomery, vice-president; James Johnson, secretary; Doris Kashefska, treasurer; and Bill Bishop and Roger Burchett, sergeants-at-arms. If the juniors continue to have such good meetings, they'll make quite a senior class.

DECEMBER 3

The second basketball win in a row! Decatur downed Bloomington in our first Big 12 basketball game to the tune of 36 to 30. Mr. Kearns is one of our favorite facultyites at the games with his beams and smiles and witty comments.

DECEMBER 10

We of D. H. S. have something to be pretty proud of, pretty proud of, indeed! Four flying jeeps will be helpin' the war effort along, thanks to us. We bought \$12,718 worth of war bonds and stamps.

Also we remained undefeated in beating Quincy 39 to 31. What a happy day! A perfect pattern for all the smiling people in school would be Betty Auer and Ollie Hensen.

JUNIOR PRESIDENT NOMINEES

TOMMY'S EXIT, "EVER SINCE EVE"

DECEMBER

DECEMBER 12

The Review Story Contest awards were announced today. First place goes to Mary McLaughlin. It seems as if the stories get better each year. Fine work, Mary.

DECEMBER 13

Did you ever try to keep a navy boy and an army boy happy at the same time? Just ask Nancy Cannon for further references on the subject. Of course she can tell you only about the correspondence part now.

DECEMBER 15

The other morning in chemistry Mr. Westland had to turn out all the lights for an X-ray experiment. (We all know these dark, early mornings). The experiment was interrupted when one of the janitors came rushing in with a light bulb—seeing that there were no lights inside. Even though he was very embarrassed, he showed that our janitors are Johnny on the spot.

DECEMBER 15, 16, AND 17

Annual vespers were given on these days, and they were something we won't soon forget. In a word, they were perfection. Bob King, who read the Scripture, never fails to please the audience.

DECEMBER 17

Emptier and emptier grows our building as more and more of us are leaving to work in down town stores. Don't we turn into smart clerks quick? We are getting excellent experience during the Christmas rush, to say nothing of being patriotic. The Reds play at Urbana tonight.

DECEMBER 21

Decatur is tense over the game between Canton and Decatur tonight. It certainly should be a tussle.

CHRISTMAS FORMALS

DISTRIBUTIVE EDUCATION

DECEMBER 22

We tromped them by 20 points. A major victory for us.

DECEMBER 23

School was dismissed today, and Christmas comes, snow and all! A merry, merry one it will be for most of us, too, except for the vacant places left by boys now in service. There will be five formals in one week to help keep up the holiday spirit.

BIG GEORGE JUMPS IT

HONOR SOCIETY INITIATES

JANUARY 1

Lincoln won our Decatur tournament right from under our noses. The games were on all day and nearly all students and teachers attended, some looking the worse for wear after New Year's Eve. Tomorrow back to school. Well—almost everyone will be glad to get back.

JANUARY 3

The midyears announce Dick Roos as their valedictorian; Dorothy Horton, salutatorian; and Eugene Nale, orator. Dick has surprised everyone by jumping ahead into the midyear class in order to go into V-12 March 1, along with Charles Stanley. Todd Davis and Miriam Abbott will be two very lonesome girls.

JANUARY 7

In a purty neat game tonight our Reds beat Mattoon 36 to 26.

REGISTRATION DAY

JANUARY

JANUARY 8

We're still on those winning feet tonight, defeating Centralia 47 to 31. Funny radio speech class! Tommy Hoggins is surrounded by a bevy of girls constantly. (This man-power shortage!) They're turning out finished programs; two recent ones have been "Shake Hands with a Ghost" and "Remember Us."

JANUARY 11

An all school auditorium was held featuring Mr. Elza R. Brown, a mental genius. The things that man could do with his memory! Oh, to keep him around until those ever-drawing-nearer mid-term exams.

JANUARY 14

We trampled our age long enemy, Springfield, in basketball tonight. State, here we come. We can dream, can't we?

JANUARY 20

In junior meeting, secretary, Jim Johnson, played some solid boogie and then asked for dues, the brute! After making us all so happy, and with our financial situation!

JANUARY 26

National Honor Society initiated new members in a ceremony held in 320 today third hour. Jean McCormick, Mr. Harris, and Mr. Pigott were special speakers.

JANUARY 29

Mary McLaughlin is named 1944 D.A.R. girl, and a grand one she makes.

JANUARY 31

The new idea of registration was put into practice for the first time today. The lines outside chemistry sign-up rooms and gym were terrifying!

MIDYEARS GRADUATE

FEBRUARY

FEBRUARY 1

The St. Teresa-Decatur game kept things in the best of tradition with Decatur winning by a score of 46 to 32.

Registration for classes continued today, and most of the students were satisfied with their programs.

FEBRUARY 2

Two hundred sophs entered midyear. Among them are Barbara Blanchard, Dean Bess, Norma Perkins, and Bill Rose. Nona Wild has moved back to Decatur for a few months, and Priscilla Smith has moved to Los Angeles.

FEBRUARY 5

Peoria Manual suffered a 64 to 19 defeat at the hands of our Reds. Seen together were Shirley Berry and Jimmie Grooms.

FEBRUARY 9

The juniors took I. Q. tests this morning from 8:30 to 11:50. Who knows, we might have a genius among us.

FEBRUARY 10

Mary McLaughlin and Bob Coutant were named Lincoln Essay winners. Congratulations to both of them!

FEBRUARY 15

Assembly was held on the student lounge. Student speakers were Norman Sanders and Tom Hostetler. Guest speaker was P. K. Houdek.

FEBRUARY 11

Three cheers for "Rowdy" Rutherford who made the extra two points we needed to defeat Springfield in the second overtime. The score was 35 to 33. What a night! Some couples tripping the light fantastic at the Sweetheart formal were Joanne Davis and Jack Patterson, "Dody" Osgood and Pat Mills, and Shirley Merritt and Bill Tomlinson.

REGIONALS

LINCOLN DAY PROGRAM

FEBRUARY 18

The Reds won the twelfth game of the season, defeating Vandalia 62 to 36. This was our last home game.

FEBRUARY 23

Mr. Harris Wofford spoke on "Youth's Stake in Peace" in an all school assembly this morning.

FEBRUARY 25

"Merton of the Movies," the senior play, was given tonight and will be again tomorrow night. We all enjoyed Bob Graves and Bob Cushman in the starring roles.

FEBRUARY 29

Decatur downed Tri-City in the first regional tournament.

LOUNGE AUDITORIUM

MARCH—APRIL

MARCH 9

Yes, it's sad but true. We lost to Champaign 42-32. It was a good game, tho, fellas, and we're all real proud of you.

MARCH 16

Mr. Krishnayya, from India, spoke to us chillins today about the Youth Movement in his country. We were really surprised to learn that the cats in India have heard of Lana Turner and "Piston Packing Mamma."

MARCH 18

Taylorville, with an undefeated season behind them, won the state championship with a score of 56 over Elgin's 33. South Shore finished third with a score of 47 to 34.

MARCH 21

"There's a stout heart that knows no fear." That's all very well, but when you see that T.B. needle coming at you it's a different story.

MARCH 22

George Myer has at last been caught, hooked, or what ever you want to call it. Burnie Seaburg is the lucky (?) gal. Jodie Weilepp and Dallas Bower and Mary Simpson and Ike Appenseller are that way.

CARNIVAL BALL

T. B. SHOTS

MARCH 24

The literary societies sponsored a Carnival dance, and it was something! Eleanor Head and Dick Emerick were really cuttin' the rug, and I noticed Dick Wilhite's "ex," Amee Downing, giving him the glad eye. Another cute pair of hep cats were Mr. and Mrs. Stiegemeier.

MARCH 27

We attended a very interesting sophomore meeting today. Dr. McDavid, a World War I veteran, spoke about the wonderful job the Red Cross is doing.

MARCH 30

The Student Council dance was a solid sender called "Fools' Frolic." Some of the Jills and Jacksons were Pat Jostes and Jimmie Smith, Alice Head and Art Nugent, and Phil McFadden and Flo Koslofski.

APRIL 12

Well, today was the long-awaited-for student talent show, and what a riot. Let's have some more swell shows like that. Okay, kids?

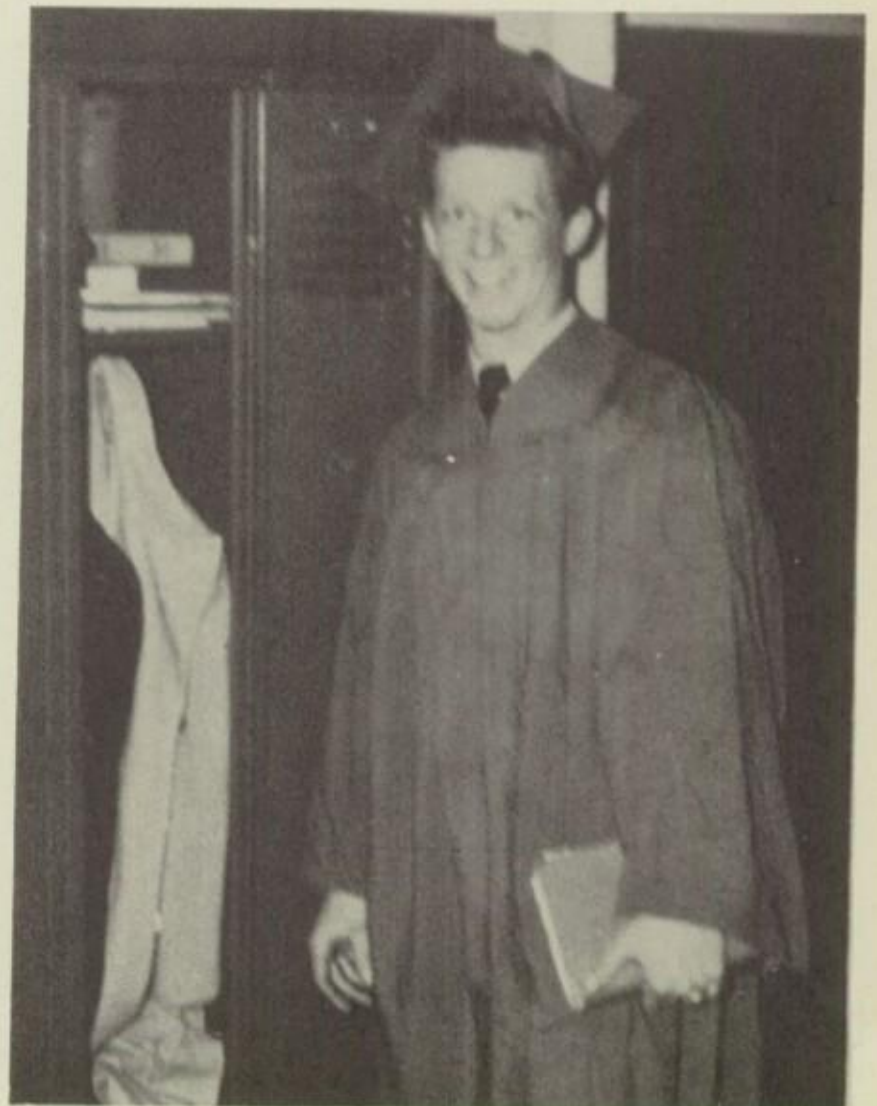

APRIL 14

The Junior-Senior Prom was a big success and Ben was as solid as ever. Toody and Mack looked as cute as a pair of live Joes could, and every one had a super duper time.

FOOTBALL

1943

Bill Dickinson

Captain

Percy Baugh

Percy Baugh**Back**

Percy, small but fast, played little during the season. He will be back next year and will probably see lots of service.

Virgil Byers

Charles Boyle**Quarter-back**

"Chuck" was the team's best passer this year and won his second football letter. Not only could he pass well, but he carried the ball often. He will be missed from the squad next fall.

Charles Boyle

Richard Burdick**Guard**

Dick, only a junior, played well this year. Small but sturdy, he earned a starting post near the end of the season. Dick received a major letter and will be heard from next year.

Bill Dickinson

Virgil Byers**Guard**

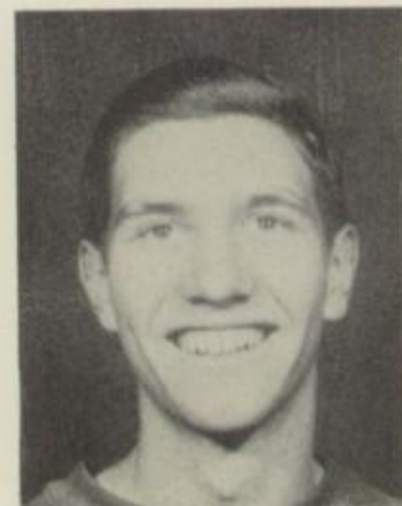

This was Virgil's first year out for football, and although he saw little action, he received valuable experience for next year.

Richard Burdick

Bill Dickinson**Full-back**

Bill, this year's captain, was the best blocker on the team. "Willie" was also a hard tackler and a good line plunger. Even though he was slowed up by an injured leg near the end of the season, Bill led the team to six victories.

Robert Doster

Robert Doster**End**

"Chick," tall and lanky, played well at end this year and earned his letter. He was usually on the receiving end of most of Decatur's passes. He will be remembered for his spectacular catches.

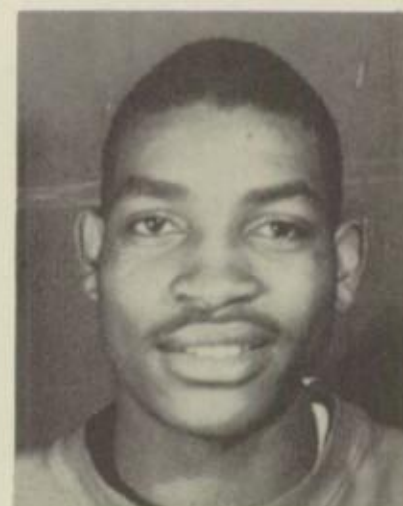

Paul Doyle

Paul Doyle**Center**

Playing all year at center, Paul was a great asset to the team. His hard driving and persistence kept him on the starting eleven throughout the season.

Lynn Edwards**End**

"Lum," as the footballers call him, had a successful season at end and won his letter. He did all the end-around running for the team this year. This play proved to be good in the pinches.

Charles Fonville

Gerhard Florian**Back**

This was Gerry's first year out for football. Although he saw little action this season, he shows promise of playing a very good game in his next two years.

Charles Fonville**Tackle**

Charles is one of the graduating players whose loss will be felt. Being one of the largest boys on the team made him a valuable lineman.

Lynn Edwards

McKinley Freeman

McKinley Freeman**Back**

McKinley, although only a sophomore, saw considerable action this year. He served in the line as well as in the backfield. He earned his letter, and from all appearances will be the pride of the squad in '45.

Vernon Greene**Back**

Vernon is another one of the small boys on the team. Lack of size, however, didn't keep him from playing often. Vernon, a junior, served as reserve through the year.

Gerhard Florian

Vernon Greene

Paul Justice

Paul Justice**End**

Paul, a sophomore, saw little action this year, but he will be back for two more seasons. His interest in the game kept him on the squad the full year.

Lawrence Kern**Guard**

Lawrence, a senior, was the heavy-weight of the team, weighing over two hundred pounds. His ability as lineman earned him a starting post and his major letter.

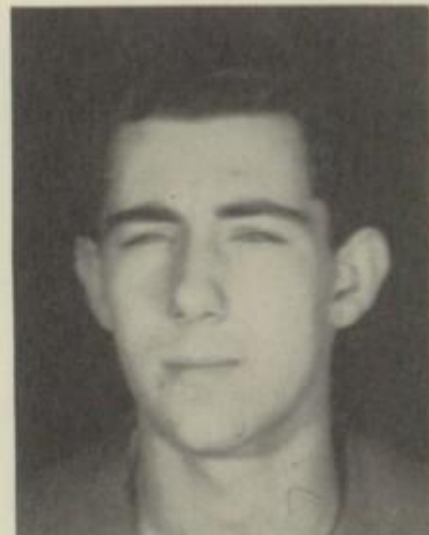

Donald Livergood

Robert Kerstein**Tackle**

Bob played on the first eleven most of the year and will return next season. Being large and well-built, he was a great asset to the team.

Thomas Krigbaum**End**

Tom did well this season catching passes. He saw lots of action even though illness kept him out of a few games. Tom received a letter, and since he is a junior, will be on hand again next fall.

Don Luallen

Donald Livergood**Guard**

Don, a senior, won his major letter this year. Playing hard and well kept him on the first eleven most of the season. This was his second year out for football.

Don Luallen**Half-back**

Don put in a good season as blocking back and will be missed next year since he is a senior. He saw much action and earned his letter.

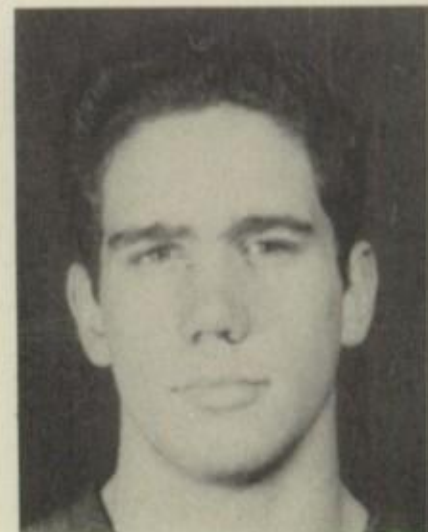

Bob Metzger

Bob Metzger**Tackle**

Bob, a senior, could always be depended upon to play well. His ability to break through the opponent's line gave him a starting position all year. He was awarded a major letter.

Bill Rotz**Tackle**

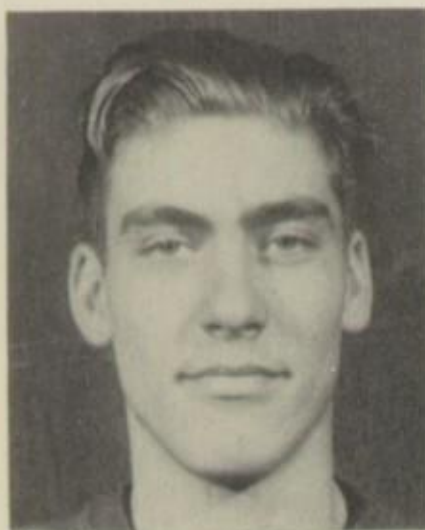

Bill, a senior, won his major letter this year. "Harpo," as he is called, could always be relied upon for an able performance.

Bill Rotz

Lawrence Kern

Robert Kerstein

Thomas Krigbaum

Edward Stevens**Half-back**

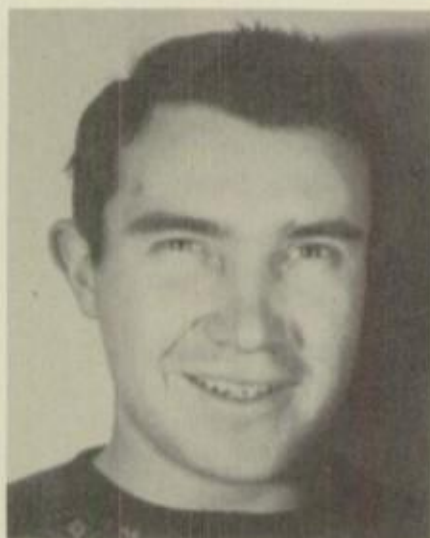

"Alzo" placed on the honorable mention All State football team. Fast and shifty, "Alzo" was the team's best broken field runner. He did equally well in line plunges. In this, his senior year, he earned his fifth major letter.

**Don Shields****Don Shields****Back**

"Doc" was the smallest player on the "A" squad, but his size didn't keep him from staying in the game. A shifty ball carrier, "Doc" proved to be a good reserve back. He earned a letter and will return next year.

**Bill Tombaugh****James Spears****Tackle**

Jim played in the line for Decatur most of the season and earned his letter. He played well and was always in there fighting. This was his last year of football since he is graduating.

**James Spears****Robert Stauber****Tackle**

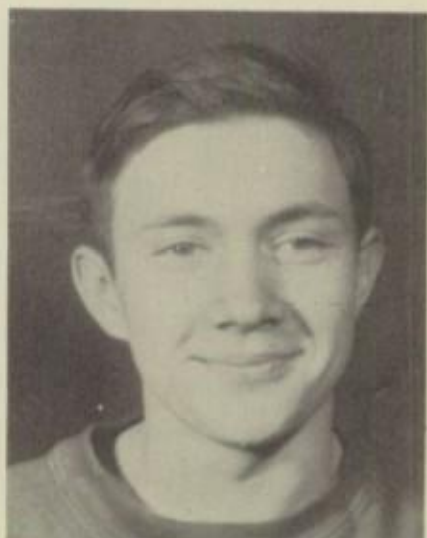

Bob worked hard in practice and showed much promise for the next two years. He is only a sophomore.

**Bernard Weakley****William Tombaugh****Center**

Next year will see Bill back again. His hard driving and persistence kept him on the squad all season.

**Robert Stauber****Bernard Weakley****End**

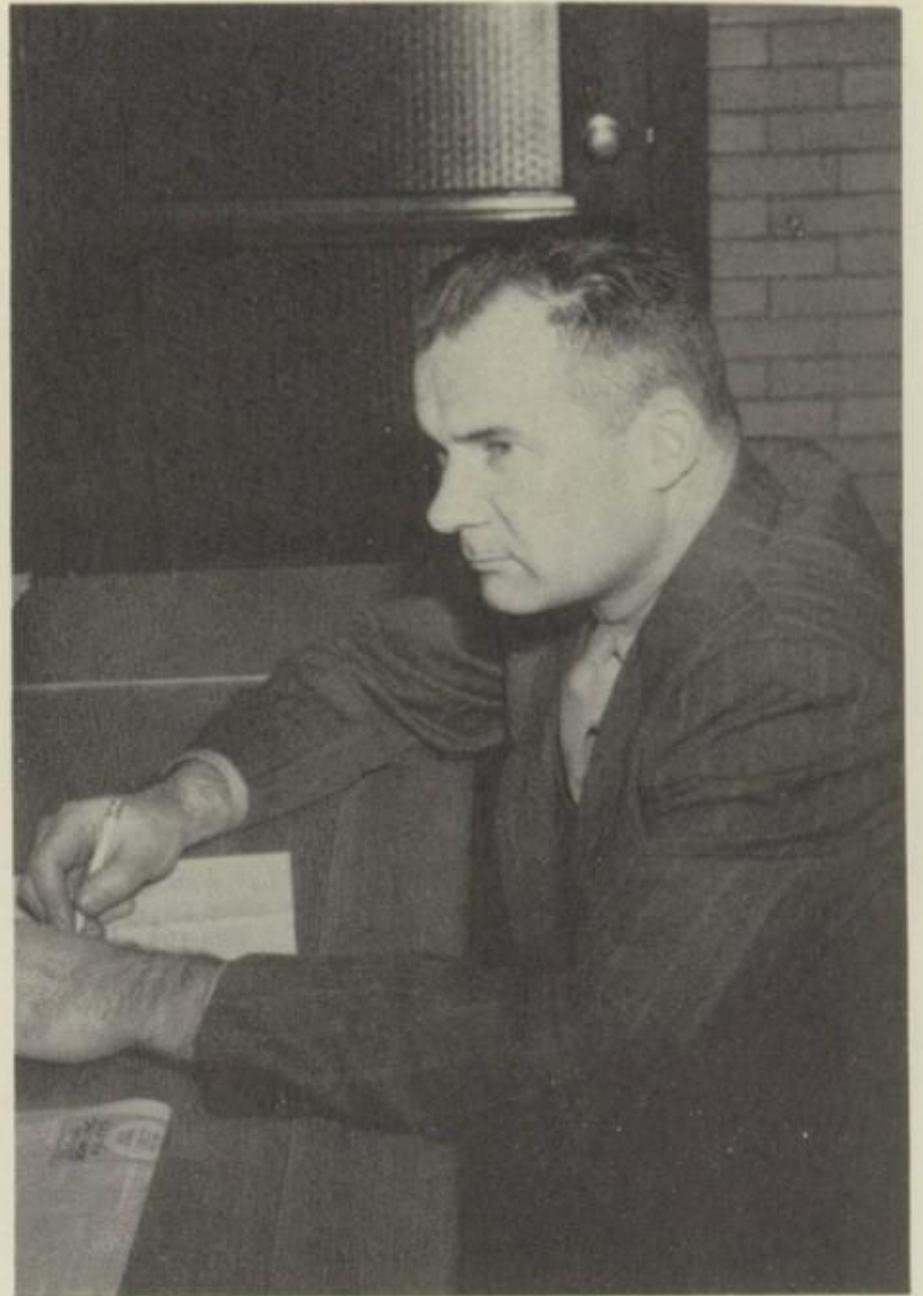

Because Bernard, a sophomore, was always at practice and willing to play hard, he remained on the "A" squad all year. He holds great promise for the team.

**John Ziese****John Ziese****Back**

This was John's first year on the "A" squad, but according to all indications, not his last. He was invaluable as a shifty back.

Over 29 Years of Faithful Service

Almost anyone in Decatur and central Illinois can tell you about Post's Jewelry Store. Many of the old-timers know about this store from their parents, or even grand-parents. Others have become devoted to Post's from the day of their very first purchase here. The attachment that our customers have for us brings a deep sense of pride, and we do our best to continue to satisfy them. A confidence that is born of a genuine desire to service is not acquired overnight; it is earned over a long period of time.

We've Grown With Decatur Since 1872

All through our seventy-one years we have striven to give a full measure of value and a high standard of quality, consistent with fair prices. The dependability of our merchandise is a watchword in the homes which we serve. War may deprive us of certain articles, but it will NEVER abolish those pleasant courtesies; the friendly voice; the patient helpfulness that means so much these days.

INITIATIVE

That which has made this country great, is the men who had the initiative. Civilization has advanced thereby and in proportion thereto, because the business acumen of our people has been the mainspring of achievement.

If this path of experience is not cluttered with too many obstacles, and legitimate initiative is left unleashed, America will improve because of the aspiring spirit of her people.

ESTABLISHED MARCH 15, 1897

From A Humble Beginning

Abraham Lincoln began life with the same chances any other boy had and by courageous effort rose to the highest position in the land.

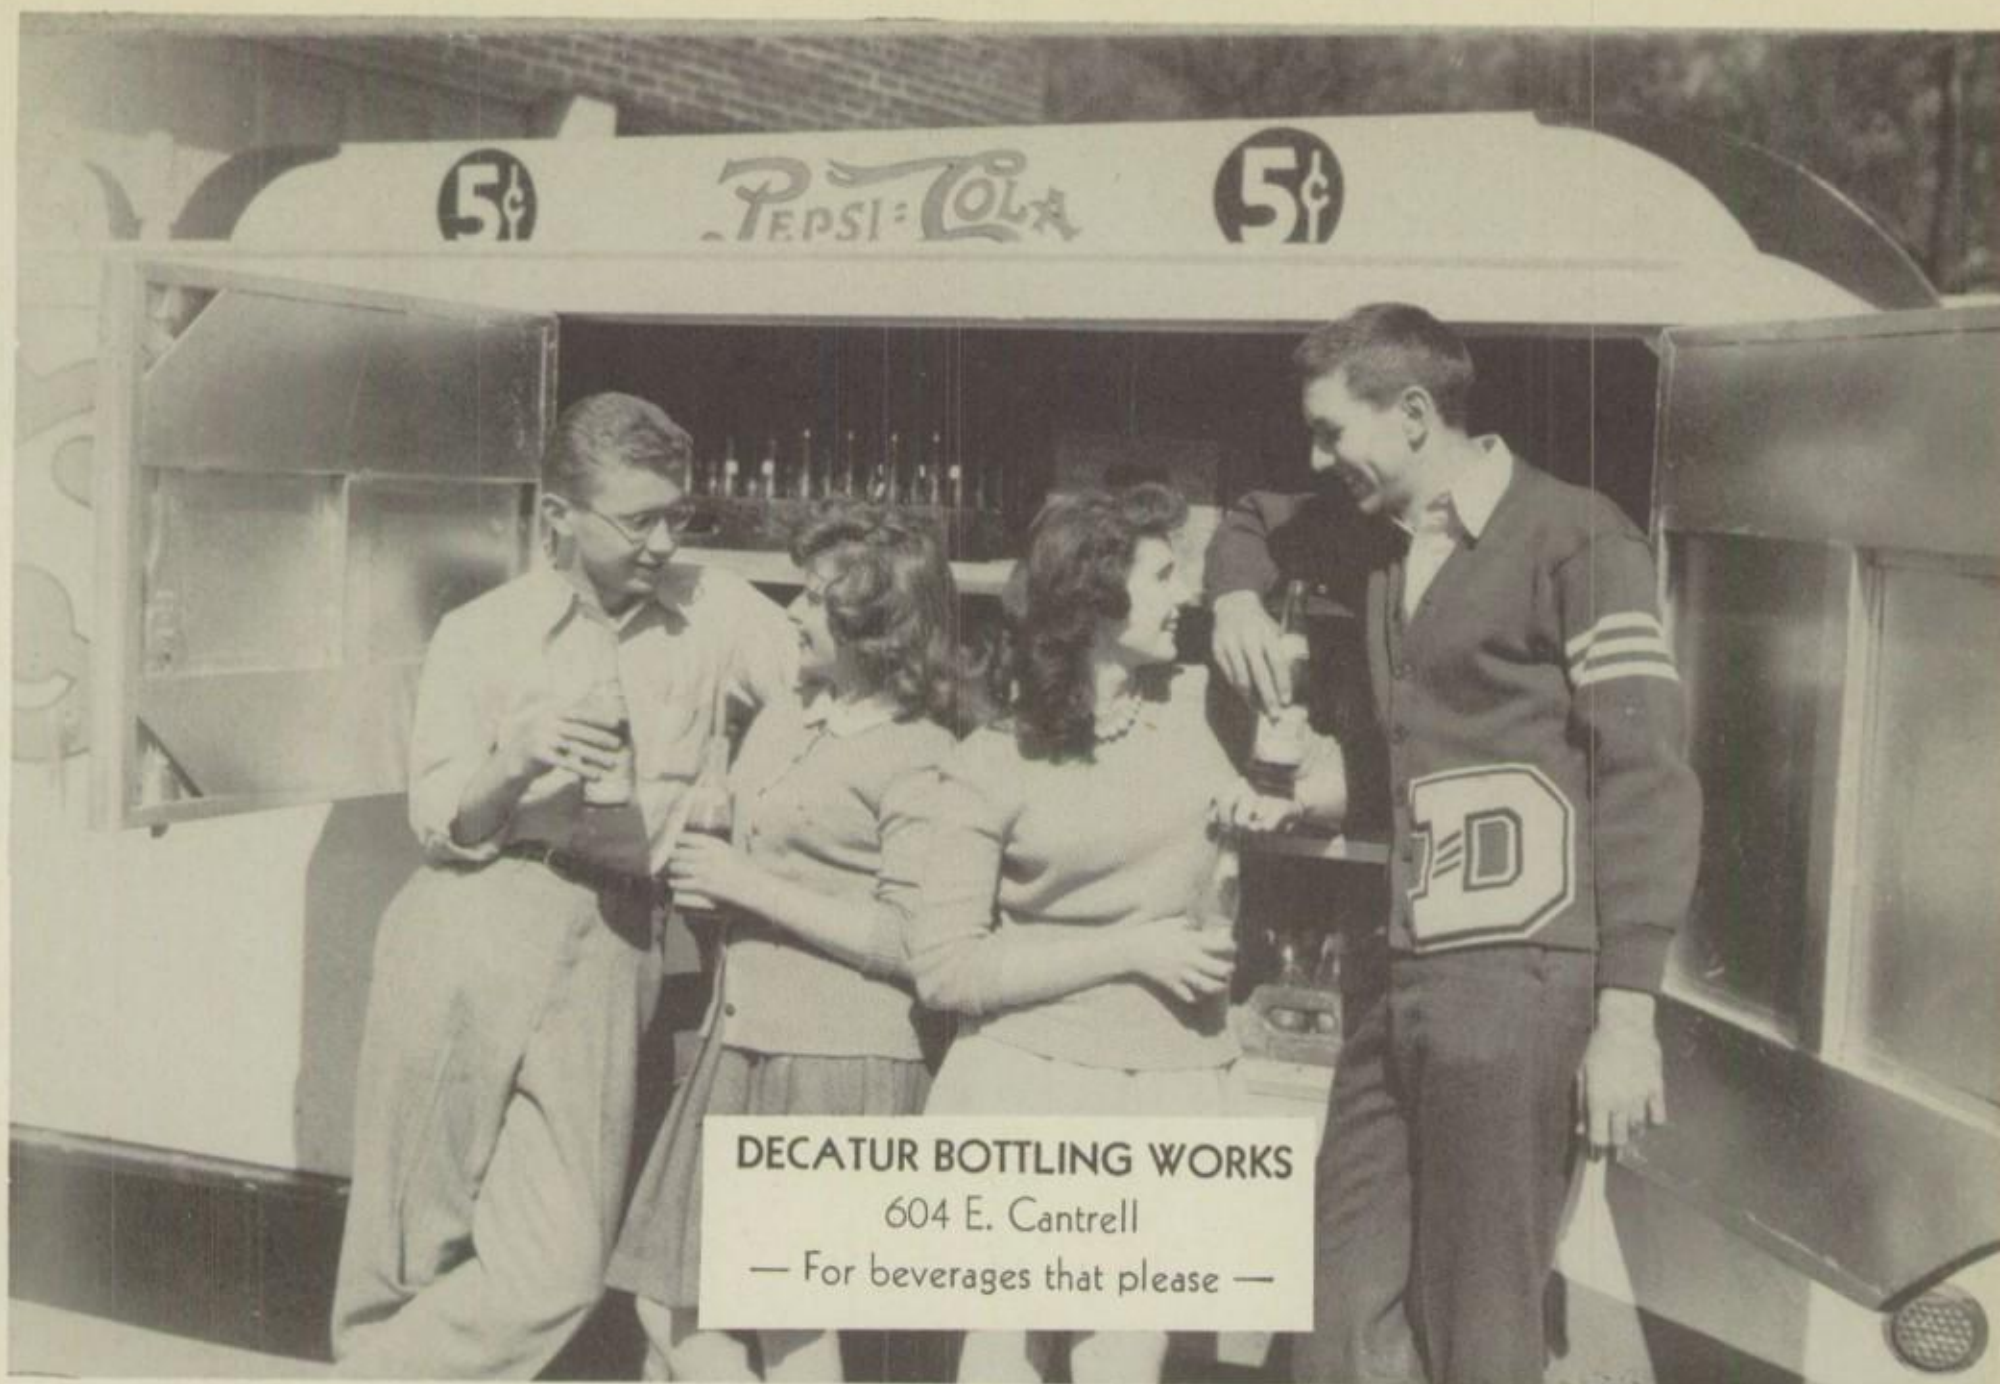

Today the D. H. S. graduates of the Class of '44 will soon go out to take their places in life—to build each for himself a future. Many of them, like Lincoln, will believe in the sterling worth of honest toil, sincerity, and square dealings with his fellow men. And those who adhere to this philosophy will achieve the success they rightly deserve.

The same thing can be said of MUELLER CO. From the humble beginning in 1857 in the gun shop of Heironymus Mueller to the present day, a span of eighty-seven years, these simple virtues have guided this company. We believe in honest workmanship, and so build only QUALITY products of the best materials. We employ the most skilled workmen, and because we have believed in fair treatment to all, many of them have been with us for years. We believe in giving our customers a square deal—in going to the very limit to be of service to them. Because of these high principles the MUELLER CO. today stands as the leader in the manufacture of water, gas and plumbing goods—a fact proved by the many thousands of satisfied customers all over America.

OFFSET LITHOGRAPHY

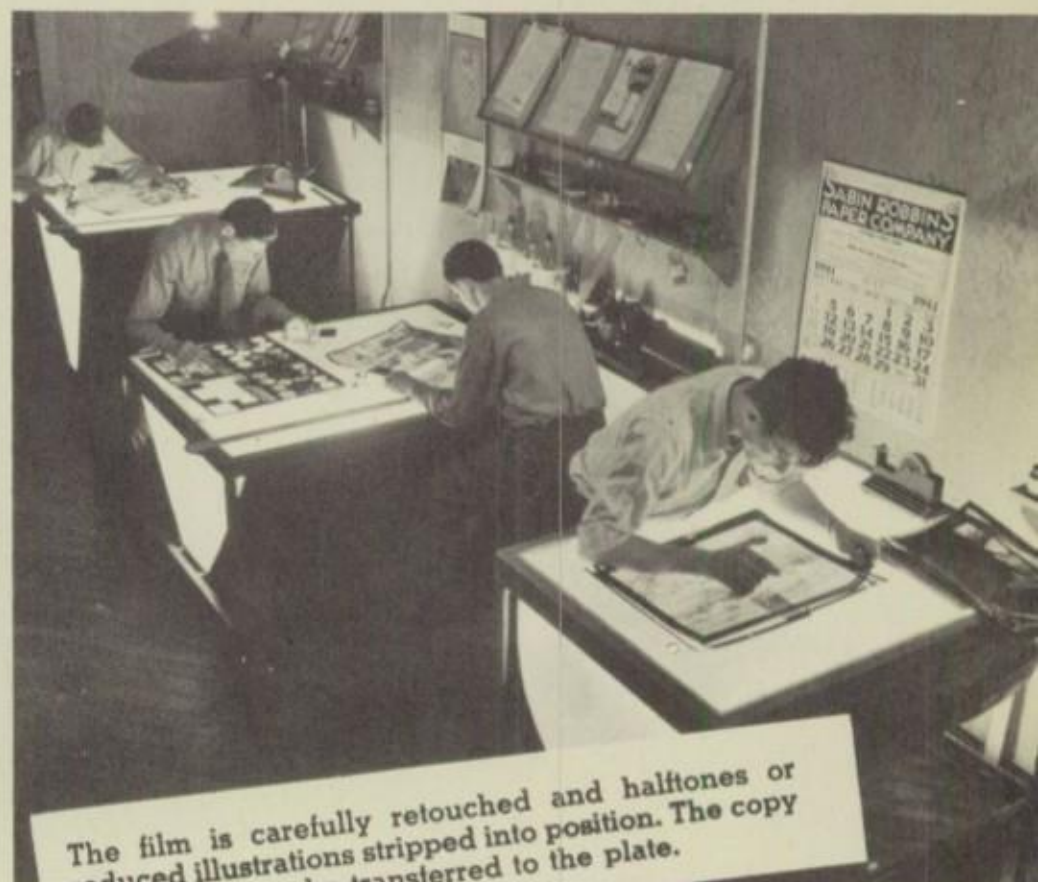

ALERT ADVERTISERS THE COUNTRY OVER ARE TURNING TO OFFSET LITHOGRAPHY AS THE NEWEST DEVELOPMENT IN THE REPRODUCTION OF MODERN ADVERTISING.

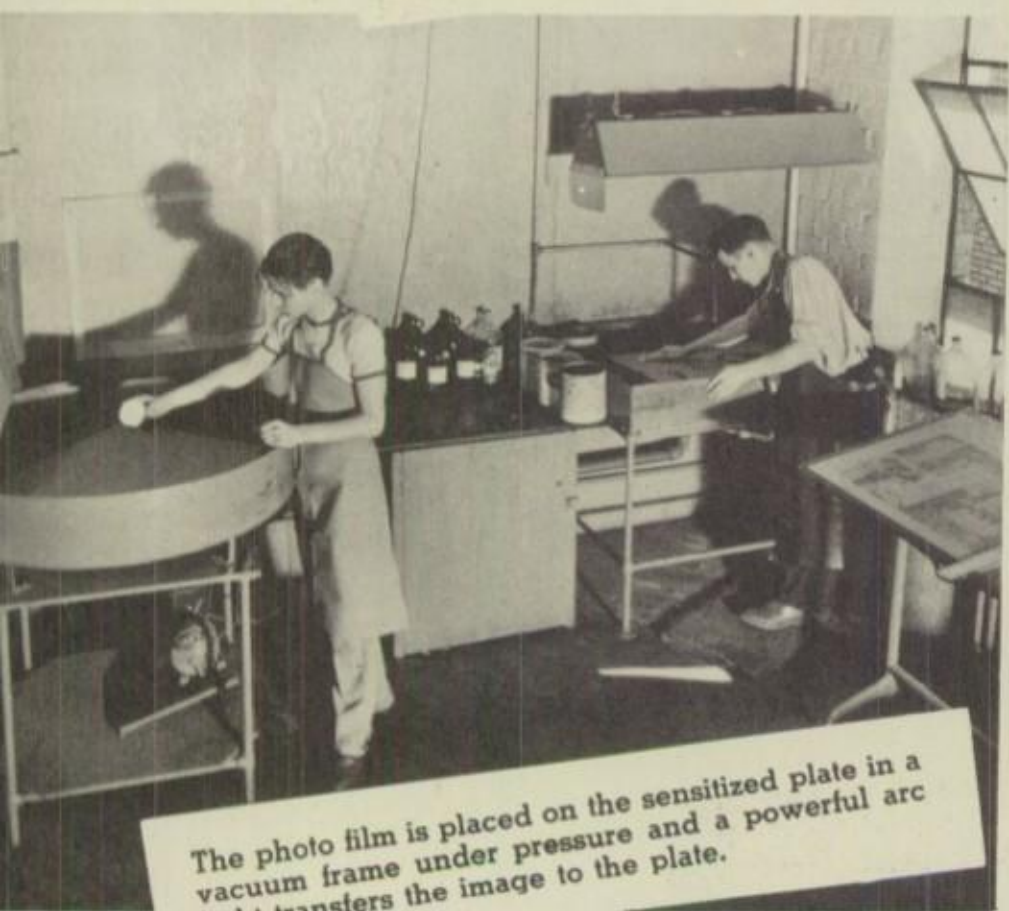

Creative artists prepare your preliminary sketches, suggest effective layouts, and do finished art work.

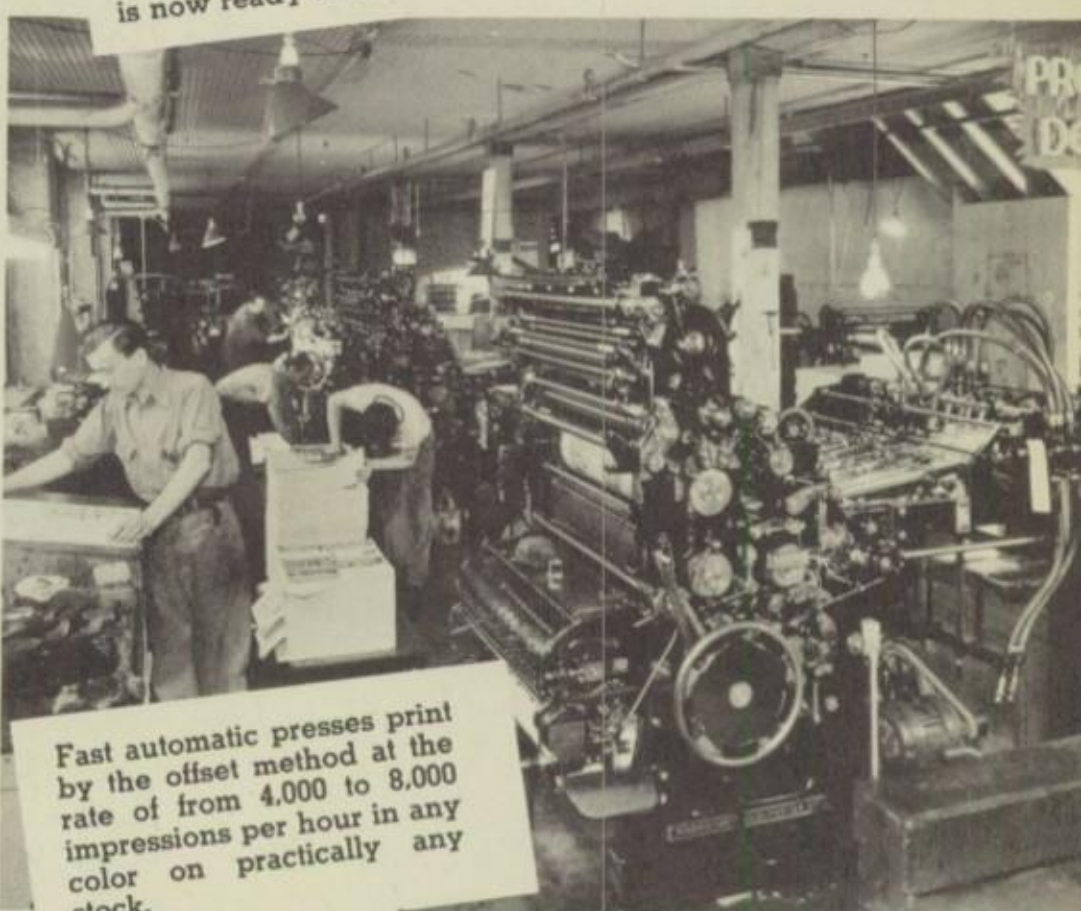

Especially built precision camera which records your copy on photo-film.

The film is carefully retouched and halftones or reduced illustrations stripped into position. The copy is now ready to be transferred to the plate.

The photo film is placed on the sensitized plate in a vacuum frame under pressure and a powerful arc light transfers the image to the plate.

Fast automatic presses print by the offset method at the rate of from 4,000 to 8,000 impressions per hour in any color on practically any stock.
